Dear Mr. Miller and Fierst,

Last Friday, March 14, 2008, the law secretary of Judge Wexler's chamber contacted us to schedule an in-person conference at the Federal Courthouse in Suffolk County to resolve issues between us. The Judge is available Monday through Thursday of this week.

I am available this Thursday afternoon.

Please advise when you will be available for the conference, so that arrangements with the Judge's chamber may be made.

Sincerely,

Chunyu Jean Wang, Esq.
