**U.S. DISTRICT COURT
EASTERN DISTRICT OF NEW YORK
LONG ISLAND OFFICE**

AZRACK, United States District Judge:

Petitioner M.G. Thompson brings this special proceeding under Article 78 of the N.Y. C.P.L.R. against Judicial Hearing Officer Paul H. Senzer. Senzer, who removed the proceeding to this Court, has moved to dismiss. The Court sua sponte directed the parties to address whether the Court has subject matter jurisdiction over this action. The Court then referred the motion to dismiss to the Honorable Arlene R. Lindsay, United States Magistrate Judge, for a report and recommendation. In a Report and Recommendation dated February 16, 2017 (“the R&R”), Magistrate Judge Lindsay recommended that this removed matter be remanded to state court.

No party has objected to the R & R, and the time for doing so has passed. When deciding whether to adopt a report and recommendation, a district court “may accept, reject, or modify, in whole or in part, the findings or recommendations made by the magistrate judge.” 28 U.S.C. § 636(b)(1). “To accept the report and recommendation of a magistrate, to which no timely objection has been made, a district court need only satisfy itself that there is no clear error on the face of the record.” Jarvis v. N. Am. Globex Fund, L.P., 823 F. Supp. 2d 161, 163 (E.D.N.Y.2011) (internal quotation marks and citation omitted). The Court has reviewed the record and, finding no clear

error, adopts the R & R as the opinion of the Court. The Court hereby remands this action back to state court. The Clerk of Court is directed to close this case.

SO ORDERED.
