JUDGMENT DISMISSING ACTION
BASED UPON SETTLEMENT

That pursuant to the status report filed February 16, 2011 (Dkt. No. 49) , the parties have entered into an agreement in settlement of all claims in this action, and that they reasonably anticipate finalizing their agreement shortly, following which this action will be discontinued,

with prejudice, by stipulation pursuant to Rule 41(a)(1)(ii) of the Federal Rules of Civil Procedure. Based upon this development, I find that it is not necessary for this action to remain on the court's active docket.

It is therefore hereby

ORDERED that the above-captioned case is hereby **DISMISSED** in its entirety **without prejudice** to re-opening upon the motion within thirty (30) days of the date of the filing of this order upon a showing that the settlement was not consummated; and it further

ORDERED that the dismissal of the above-captioned case shall become **with prejudice** on the thirty-first day after the date of the filing of this order unless a party moves to re-open this case within thirty (30) days of the date of the filing of this order upon a showing that the settlement was not consummated.

IT IS SO ORDERED

Date: February 17, 2011

Norman A. Mordue
Chief United States District Court Judge
