DECISION and ORDER

Currently pending before the Court, in these four related products liability actions are Plaintiffs' motions to remand. On July 24, 2019, Defendant(s) filed a notice in each action, advising the Court that, in light of U.S. District Judge Maryellen Noreika's recent Memorandum Opinion in *In re: Imerys Talc Am., Inc., et al.*, No. 19-MC-0103 (D. Del. filed July 19, 2019), they were withdrawing their oppositions to Plaintiffs' motions to remand. For those reasons, and the reasons stated in the Court's prior Decisions and Orders remanding the other related products liability actions (Nos. 19-CV-0459, 19-CV-0464, 19-CV-0493, and 19-CV-0494), the Court grants Plaintiffs' motions to remand.

ACCORDINGLY, it is

ORDERED that the motions to remand in the four above-captioned products liability actions are **GRANTED**.
