**This Document Relates To:**

**[PROPOSED] RULE  
41(a)(2) ORDER OF  
DISMISSAL**

*Village of Island Lake, a municipal corporation, v. Ashland  
Co., et al., Case No. 04 Civ. 0205*

---

Pursuant to Federal Rule of Civil Procedure 41(a)(2), and in accordance with the stipulation of dismissal agreed to on the record by counsel for the plaintiff, Village of Island Lake, and counsel for defendant Exxon Mobil Corporation, at the July 9, 2008 hearing, the plaintiff's claims for threatened MTBE and/or TBA contamination as to five wells that have never contained any MTBE and/or TBA contamination are hereby dismissed without prejudice. Any future claims for alleged contamination to those five wells may only be filed in accordance with the stipulation agreed to on the record by the parties at the July 9, 2008, hearing.
