Lenny
Please review the attached letter and email string below. I still haven't received a response to my question from 6/20, and almost all the issues raised in my 6/3 letter have not been addressed. It has been almost 3 months. If the requested documents are not produced in advance of the 9/10 status conference, we plan to raise this issue with the Court. I look forward to hearing from you.

Thank you, Lenny. Could you please explain how the capital budget file and the Department's capital request fit into the materials I requested in my 6/3/2013 letter? The connection is not clear to me. Thank you.
