

**UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF NEW YORK**

In re: Methyl Tertiary Butyl Ether ("MTBE")
Products Liability Litigation

**Master File No. 1:00 - 1898
MDL 1358 (SAS)
M21-88**

This Document Relates to:

*New Jersey Department of Environmental
Protection, et al. v. Atlantic Richfield Co., et al.*
No. 1:08-cv-00312-SAS

**DECLARATION OF ALEX WALLACE IN SUPPORT OF PLAINTIFFS'
OPPOSITION TO CHEVRON U.S.A. INC.'S
MOTION FOR SUMMARY JUDGMENT REGARDING
THE SKYLINE SERVICE CENTER TRIAL SITE**

I, Alex Wallace, declare:

1. I am a paralegal at Miller, Axline & Sawyer, counsel of record for plaintiff New Jersey Department of Environmental Protection. I have been involved in the discovery and pretrial proceedings in this action. This Declaration is based on my personal knowledge and, if called as a witness, I could testify competently thereto.

2. I have reviewed, and am familiar with, the electronic documents produced bates-stamped at ChevMDL1358_NJDEP-C0000000001-507.

3. Attached hereto as Exhibit 1 is a true and correct copy of excerpts of documents produced by Chevron as part of Defendant Chevron U.S.A. Inc. and ChevronTexaco Corporation's CMO 45 Responses (filed February 6, 2009):

4. I excerpted seven bates-stamped pages from the set:

A. Exhibit 1-A, attached hereto is documents bates-stamped ChevMDL1358_NJDEP-C00000000469-471, and a version of the identical pages that have been revised to include the appropriate header. I super-imposed the appropriate column headers onto the relevant excerpts, and I bracketed relevant information. These documents were produced in a spreadsheet that carries over for three pages that should be read side-by-side.

B. Exhibit 1-B, attached hereto, is documents bates-stamped ChevMDL1358_NJDEP-C00000000115-116, and a version of the identical pages that have been revised to include the appropriate header. I super-imposed the appropriate column headers onto the relevant excerpts, and I bracketed relevant information. These documents were produced in a spreadsheet that carries over for two pages that should be read side-by-side.

C. Exhibit 1-C, attached hereto, is documents bates-stamped

ChevMDL1358_NJDEP-C00000000119-120, and a version of the identical pages that I have revised to bracket the relevant information. These pages were produced as a spreadsheet that carries over for two pages that should be read side-by-side.

5. My review of Exhibits 1-A and 1-B indicates that, on November 1, 1993, Chevron sold to Star Enterprises 2,105,811 gallons of gasoline that was destined for the Bayway terminal in New Jersey.

6. If you put the three pages of Exhibit 1-A side by side, and read the bracketed data from left to right:

A. ChevMDL1358_NJDEP-C000000469 shows:

- A transaction dated 11/1/1993;
- The supplier number of 3983793, and the supplier's name is New Jersey S&D Marine;
- The Customer Name is Star Enterprises;
- The Customer's account number is 6405201, which is Star Enterprises' Bayway Terminal account number (see Exhibit 1-B document bates-stamped ChevMDL1358_NJDEP-C00000000115); and
- The destination is New Jersey.

B. ChevMDL1358_NJDEP-C000000470 shows:

- The date of delivery is 11/11/1993;
- The product is MTBE gasoline, as evidenced by its product code 201188, and product name UL CGAS W/ETHER (see Axline Decl. Ex. 8 [Chevron's Responses to CMO 45 at 5, Response No. 3); and
- The billed number of gallons was 2,105,811 .

C. ChevMDL1358_NJDEP-C000000471 shows:

- 50,138 barrels were billed and the cost was \$1,072,910.70.

7. My review of Exhibit 1-A and 1-B indicates that, on December 1, 1993, Chevron

sold 1,056,783 gallons of gasoline to Star Enterprises that was destined for the Bayway terminal in New Jersey.

8. If you put the three pages of Exhibit 1-A side by side, and read the bracketed data from left to right:

A. ChevMDL1358_NJDEP-C000000469 shows:

- A transaction dated 12/1/1993;
- The supplier number of 3983793, and the supplier's name is New Jersey S&D Marine;
- The Customer Name is Star Enterprises;
- The Customer's account number is 6418401, which is Star Enterprises' Bayway Terminal account number (see Exhibit 1-B document bates-stamped ChevMDL1358_NJDEP-C0000000115); and
- The destination is New Jersey.

B. ChevMDL1358_NJDEP-C000000470 shows:

- The date of delivery is 12/12/1993;
- The product is MTBE gasoline, as evidenced by its product code 201188, and product name UL CGAS W/ETHER (see Axline Decl. Ex. 8 [Chevron's Responses to CMO 45 at 5, Response No. 3]; and
- The billed number of gallons was 1,056,783

C. ChevMDL1358_NJDEP-C000000471 shows:

- 25,162 barrels were billed, and the cost was \$444,905.64.

9. My review of Exhibit 1-A and 1-B indicates that, on December 1, 1993, Chevron sold 2,100,000 gallons of gasoline to Star Enterprises that was destined for the Linden terminal in New Jersey.

10. If you put the three pages of Exhibit 1-A side by side, and read the bracketed data from left to right:

- A. ChevMDL1358_NJDEP-C000000469 shows:
- The transaction is dated 12/1/1993;
 - The supplier number of 3983793, and the supplier's name is New Jersey S&D Marine;
 - The Customer Name is Star Enterprises;
 - The Customer's account number is 6419985, which is Star Enterprises' Linden Terminal account number (see Exhibit 1-B document bates-stamped ChevMDL1358_NJDEP-C0000000115); and
 - The destination is New Jersey.
- B. ChevMDL1358_NJDEP-C000000470 provides:
- The date of delivery is 12/15/1993;
 - The product is MTBE gasoline, as evidenced by its product code 201188, and product name UL CGAS W/ETHER (see Axline Decl. Ex. 8 [Chevron's Responses to CMO 45 at 5, Response No. 3); and
 - The billed number of gallons was 2,100,000.
- C. ChevMDL1358_NJDEP-C000000471 provides:
- 50,000 barrels were billed, and the cost was \$884,100.00.

11. My review of Exhibit 1-B indicates that ChevMDL1358_NJDEP-C000000115-116 set out Star Enterprises' eight separate accounts at the Carteret, Perth Amboy, Linden, and Bayway terminals. ChevMDL1358_NJDEP-C000000115 notes the number of each account, and the New Jersey terminal that is associated with each customer's account number. At ChevMDL1358_NJDEP-C000000116, it is noted that Star Enterprises is a customer of S&D.

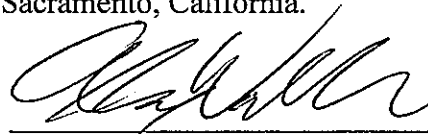

12. My review of Exhibit 1-C indicates that documents ChevMDL1358_NJDEP-C000000119-120 demonstrate that New Jersey S &D Marine (Account number 3983793) is a Chevron U.S.A. Inc. Company located at Perth Amboy in New Jersey.

13. Attached hereto as Exhibit 2, which is a true and correct copy of a map, printed

from google maps, identifying the location of (1) the Skyline Service Center in Ringwood, New Jersey; (2) the Newark terminal, in Newark, New Jersey, which is approximately 35.4 miles from Skyline; and (3) the Bayway & Linden terminals in Linden, New Jersey, which is approximately 40.9 miles from Skyline.

I declare under penalty of perjury that the foregoing is true and correct.

Executed this 2nd day of December, 2013, at Sacramento, California.

A handwritten signature in black ink, appearing to read 'Alex Wallace', written over a horizontal line.

ALEX WALLACE
