Re: Orange County Water District v. Unocal Corp., et al.

Dear Tracey:

Pursuant to our agreement today in the hearing with Special Master Warner, enclosed is a CD containing the Hamner database "Oracle dump file" and log. This CD and the information on it is covered by the stipulation and protective order relating to Hamner documents and is labeled "HAMNER-CONFIDENTIAL" in accordance with that order.

As discussed at the end of the hearing, I am copying the Hamner Institute's counsel so they know that the database has been produced and can notify Judge Scheindlin's clerk of that fact.

Very truly yours,

A handwritten signature in cursive script that reads "Jeffrey J. Parker".
