**Re: Subpoena to Dr. Darol Dodd
In re: Methyl Tertiary Butyl Ether ("MTBE") Products Liability Litigation
Master File No. 1:00-1898 MDL 1358**

Dear Mr. Miller and Ms. O'Reilly:

As you know, this firm represents Dr. Darol E. Dodd ("Dr. Dodd") in connection with the subpoena served on him in the above-referenced matter. Pursuant to that subpoena and subject to *Non-Party Dr. Darol E. Dodd's Objections to Subpoena Duces Tecum Pursuant to Fed. R. Civ. Pro. Rule 45(c)(2)(B)* dated March 21, 2012, enclosed find four (4) DVDs containing Dr. Dodd's document production. The documents are bates-labeled DP00001 – DP21266.

Please note that many of these documents have been marked as "HAMNER-CONFIDENTIAL." The marked documents are being produced under that certain *Stipulation and Protective Order* entered by Judge Scheindlin on September 29, 2010. These documents are not to be used in any manner contrary to the terms of that *Stipulation and Protective Order*.

By copy of this letter, I am also providing a copy of these DVDs to James A. Pardo, counsel for Exxon Mobil Corporation ("Exxon"). Exxon, pursuant to a subpoena, also requested these documents.

Should you have any trouble accessing the documents on the DVDs or if you have any questions, please do not hesitate to contact me.
