Re: Vargas, et. al. v. Pfizer, Inc., et. al.
Case No.: 04 CV 9772 (WHP)

Dear Judge Pauley:

During the last Case Management Conference, the Court set a tentative trial date of March 5 but cautioned that the trial date in this matter trails another significant matter on the Court's trial calendar. While defendants' summary judgment motion remains under submission, the proximity of the March 5 trial date compels us to ask the Court for further guidance as to whether the parties should be prepared to try this matter on March 5. Any such guidance would be appreciated very much.

Thank you for your continued attention to this matter.

Sincerely yours,

Anthony T. Falzone
