Re: Vargas, et al. v. Pfizer, Inc., et al. (04 CV 9772) (WHP)

Dear Judge Pauley:

This firm represents defendants East West Communications, Inc. and Brian Transeau in the above-entitled matter. I write concerning the summary judgment motion which is to be filed on behalf of all defendants today. A few of the exhibits to the declarations in support of that motion cannot be electronically filed. Specifically, one of the exhibits is a CD, and another is color printout of computer generated sound wave analyses of the works in question, which will likely be distorted when converted to PDF format for electronic filing.

The Clerk of the Court has informed me that your Honor's permission is required in order for defendants to file these exhibits in hard copy form. We respectfully request that the Court grant such permission. Given the exigency of this request, your Honor's clerk has informed us that we may transmit this letter to the Court by facsimile.

Respectfully,

*Samuel M. Leaf*
