Greetings Administrator:

I have a few questions, but first I will point out a few facts so you can have some info to base your answers on.

05-W-8134

Statement Of Facts

1. I, John Larry Ray am a co-author of a book called Truth At Last, which was published in April of 2008 by Globe Pequot Press.
2. That Globe Pequot Press without my knowledge, without my consent granted Google, among others, permission to use more than 50% of the book pages as a preview of the book (Using the first 118 pages of the 196 pages of the book).
3. That Globe Pequot Press without my knowledge, without my consent granted Google, among others, digitalizing rights to Google, and one of the biggest digitalizing of books in Europe, which is www.bookdepository.co.uk.
4. That even after the Goggle book settlement, Google is still running 43 consecutive preview pages of the Truth At Last book, and still digitizing the book without permission from author John Larry Ray, which is violating the agreement of statement 10 in the Google book settlement.
5. That in April of 2009, associate publisher Eugene Brissie of Lyons Press who is a spokesperson for Globe Pequot Press refused to make available a true, and correct copy of the Royalty Statement for the Truth At Last book, thus, author John Larry Ray do not know what is going on with their relationship with Google.

Questions

Google has spent years running amok violating authors copyrights, and they are still doing so after the book settlement thus why are the Plaintiffs in the Google book settlement don't put a stop to it?

The Authors representatives, and the Author guild recommended that all Authors join in the Google's lawsuit settlement. Why are the Authors selling out their copyrights infringement to white-collar criminals for a few dollars to Google (who are running a continuous criminal enterprise right in a federal courtroom in the southern district of New York)?

The deadline for checking in or out of the Google settlement is not to far away, thus, I hope you expedite your answers to my questions so I know what direction to take in the Google settlement.

I remain,

John Larry Ray
