Your account has been created. Next, start finding and claiming books and Inserts.

Tools for finding and claiming books and Inserts

You can find and claim books and Inserts using any of the tools below. You can only use one tool at a time; please return to this page to use another tool.

- Upload a file of books** (recommended for a large number of books)
Find multiple books at once by uploading a spreadsheet file. You cannot claim Inserts by this method. See alternatives below.
- Search for books** (recommended for a small number of books)
Find a book by title, author or other information.
- Search for books that contain Inserts** (recommended for publishers that know where their Inserts are located)
Find books that contain your Inserts. Search by title, author or other information about those books.
- Search digitized books to find Inserts** (recommended for publishers that do **not** know where their Inserts are located)
Find an Insert by providing information about the content you wish to claim as an Insert.

By certifying below, you will be entitled to receive some or all of the [cash payment](#) for each of your books and Inserts Google has digitized without permission on or before May 5, 2009 and you may [manage](#) and receive [revenues](#) for use of your books and Inserts.

I certify that:

1. I own a U.S. copyright interest in the books and Inserts for which I have asserted rights above,
2. none of the books or Inserts are works for hire
3. all of the books and Inserts, if [United States works](#), were registered with the United States Copyright Office on or before January 5, 2009 (and, if Inserts from United States works, the works, alone or as part of another work, were registered by such date),
4. use of any Inserts claimed required my permission and I did not give permission for their [online](#) use after June 1, 2003, and
5. all of the information submitted on this Claim Form is true to the best of my knowledge, information and belief.

Review pending claims and submit claims

These are your pending claims. For each book you wish to claim, you must assert rights and provide information about the reversion status and whether the book was a work for hire. For each book for which you wish to claim an Insert in the book, you must provide information describing the Insert. To complete your claims, please check the certification below.

Title	Author	Year	Format	Publisher/Imprint	Identifier
Photography in Motion Asserted rights to book . Edit details - Delete entry	Frank Harris	2002	Paperback	Oxford University	ISBN 232343234232

Upload a spreadsheet

If you have an electronic listing of books, you may use a spreadsheet to claim books. (If you have an ONIX file of your books, the Registry can reformat the file into a Registry compliant spreadsheet. [Upload an ONIX file to reformat.](#))

The Registry recommends you review how to [claim books using spreadsheets](#) before using the spreadsheet upload tool.

1. [Download spreadsheet.](#)
2. Complete the spreadsheet
3. Select the spreadsheet: no file selected

I certify that I believe in good faith that 1) the publisher owns a U.S. copyright interest in each book included in the spreadsheet, 2) all such books, if United States works, were registered with the United States Copyright Office on or before January 5, 2009, and 3) all of the information submitted on the spreadsheet is true to the best of the publisher's knowledge, information and belief.
