Google Books Download

The advertisement features a blue background with the title "Download Google Books to PDF file" in large white text. Below the title, on the left, is a screenshot of the Google Books Download application window showing a search for "LIFE" and a preview of a magazine cover. To the right of the screenshot, there are two bullet points: "One click to download" and "Work just like web browser", each preceded by a green arrow icon. At the bottom right, there is a prominent red button with a green downward arrow and the word "Download" in white.

Google books can be viewed online but there is no way to make the contents available offline easily, **Google book download** is tools to download parts or entire books in pdf format. it is quite easy to use like a browser, one-click to download any book available in “full view” from Google books.
