Dear Sir:

On February 20, 2009, I received a letter from the Rust Consulting, Inc., Court-approved Settlement Administrator for Google Book Search.

I am the author and publisher of my book entitled Bits and Pieces, Copyright©1998, Library of Congress Catalog Card Number 98-96136.

I object to Google scanning or displaying any part of my book and it is so noted on the cover page that all rights reserved including the rights to reproduce this book or parts thereof in any form without prior written permission from the author.

My book is a genealogy book researched by me which includes letters, family pictures, and biographical information. I feel it should be my decision as to how my book is reproduced.

Thank you for your consideration.

Sincerely,

Shirley A. Young
