Re: SS&C Technologies, Inc. v. Reuters Am. LLC, No. 06 Civ. 154 (NRB)

Dear Judge Buchwald:

As you know, we represent defendants-counterclaim-plaintiffs Reuters America LLC and Reuters Limited (collectively, "Reuters") in the above-captioned matter.

We write on behalf of Reuters to request that the Court allow the parties an additional eight days to complete document discovery in the case. Per the Court's Pretrial Order, dated April 3, 2006, the parties' responses to initial document requests are scheduled to be completed by June 15, 2006, with discovery scheduled to be completed by August 28, 2006. Reuters respectfully requests that the time for responses to initial document requests be extended until June 23, 2006, in order to give the parties more time to gather responsive documents. The parties have conferred and counsel for plaintiff-counterclaim-defendant SS&C Technologies, Inc. ("SS&C") does not oppose this request.

Respectfully submitted,
