ORDER

In its Opinion and Order of May 11, 2010 (and as amended on May 25, 2010), this Court  
[Arista Records LLC et al v. Lime Wire LLC et al](#)  
granted summary judgment in favor of Plaintiffs on their claims that Defendants Lime Wire LLC  
("LW"), Lime Group LLC ("Lime Group"), and Mark Gorton (collectively, "Defendants")  
induced users of the LimeWire program to infringe Plaintiffs' copyrights. The Court also denied  
Defendants' cross-motions for summary judgment on Plaintiffs' claims. Defendants now seek  
reconsideration of the Court's decision, contending that the Court erred: (1) in finding that there  
was no genuine issue of fact as to whether LimeWire users engaged in direct copyright  
infringement of Plaintiffs' works; and (2) in holding Gorton and Lime Group liable for  
secondary copyright infringement.

The Motions for Reconsideration present only factual and legal issues that were  
previously presented to the Court, and that were thoroughly considered by the Court before it

Doc. 272

issued its Opinion and Order. The motions are therefore denied. (Docket Entry Nos. 225 & 227.)

SO ORDERED.
