Re: Arista Records, LLC et. al. v. Lime Wire LLC et. al.

Dear Counsel:

Enclosed please find the final lists of sound recordings for which Plaintiffs will seek damages in this lawsuit. As you should know, we have provided several interim lists over the past months at the request of Wilson Sonsini. Those interim lists have included only those new tracks to be added. These final lists contain all tracks on which Plaintiffs will seek damages in this lawsuit, organized by major and corresponding copyright plaintiff. The enclosed Schedule A thus replaces the Revised Schedule A attached to the January 31, 2008 letter from Teena-Ann Sankoorikal of Cravath to Joseph D. Cohen of Porter & Hedges ("January 31, 2008 List"). The enclosed Schedule B replaces the Schedule B attached to the First Amended Complaint. Please note that in the final Schedule A, we have removed 142 tracks previously included in the January 31, 2008 List, on which we will not be pursuing a damages claim in this lawsuit.

We are also producing today additional documents bates-numbered EMI-7014701 - EMI-7029055, SONY-7044641 - SONY-704652, UMG-7059310 - UMG-7065549, and WMG-

7037096 - WMG-7040579, and we are also producing a hard drive with audio and data files bates-numbered RC00008843. This production largely completes our production related to these issues. We do expect a small, supplemental production in the next week or two.

If you would like to schedule depositions relating to any of the subjects still open to discovery, please let us know so we can arrange a time to meet-and-confer about it by telephone.
