Board of Directors

MARK GORTON
Founder and Director

Mark Gorton is the founder of several financial and technological companies collectively known as the Lime Group, including Tower Research Capital, Lime Brokerage, Lime Wire, and The Open Planning Project. Mark is currently the Managing Director of Tower Research Capital and the CEO of Lime Group.

Prior to starting these businesses, Mark worked as an engineer at Martin Marietta, now part of Lockheed Martin, and subsequently as a proprietary trader in the Fixed Income group at Credit Suisse First Boston.

Mark earned an MBA from Harvard Business School, a M.S.E.E. from Stanford University, and a B.S. magna cum laude from Yale University.

ALISTAIR BROWN
Founder, Chairman and CEO

Alistair Brown is one of the co-founders and the current Chairman of Lime Brokerage LLC.
