Dear Todd:

Enclosed with this letter is a disc containing the RIAA's initial production of documents responsive to Limewire's subpoena. These documents are responsive to Category 8, and bear control numbers 2RIAA0000001 - 2RIAA0012649. As you will see, certain of the documents are labeled "Confidential – Attorneys' Eyes Only" under the Protective Order in the action.

The RIAA is gathering other documents for production, and will produce them as they are ready on a rolling basis.

Let me know if you have any questions.

Sincerely,

Re: Subpoena to Recording Industry Association of America in *Arista Records LLC, et al. v. Lime Group LLC, et al.*, S.D.N.Y. Case No. 1:06-cv-05936 KMW

Dear Todd:

Enclosed with this letter is a disc containing the RIAA's third production of documents responsive to Limewire's subpoena. These documents are being produced in response to Category 8, and consist of complaints and exhibits for LimeWire users. Even though not specifically called for by Category 8, as I previously told you, the complaints may assist you in determining which specific works were at issue with respect to certain settlement agreements and judgments. These documents bear control numbers 2RIAA0017891 to 2RIAA0061389.

The RIAA continues to gather other documents for production, and will produce them as they are ready.

Sincerely,

George M. Borkowski
