Todd:

Judge Freeman's December 29, 2010 Order compels Plaintiffs to produce "judgments against any person or settlement agreements between Plaintiffs and any person arising from any lawsuit in which Plaintiffs alleged copyright infringement on the LimeWire system." Each Plaintiff company has confirmed that no such judgments or settlements exist outside of those obtained through the RIAA's coordinated litigation program. I have also confirmed with the RIAA's outside counsel in that program that she gathered those judgments or settlements and provided them to George Borkowski at the Venable law firm (who, as you know, has provided them to you). You thus have all of the judgments and settlements called for in Paragraph 5 of Judge Freeman's December 29 Order.

Regards,
Mindy
