**Subject:** Plaintiffs' Brief in MGM v Grokster

FYI, we've put up the "redacted public version" of the Plaintiffs brief (please forward this to the BearShare participant on this morning's call, I don't have his email):

The RIAA's proposed injunction in Aimster is up on Johnny Deep's blog:

Still working on getting public versions of their technical expert's declaration as well as the declarations of the 3 filtering companies.
