PERSONALITIES

Josephine Traina (Dir. Athletics Operations) – follow Josephine around during Big East tournament perhaps, to witness the hysteria

Paul Munick (VP Athletics) –

John Urban (VP Family Ent.) – Trail John during Circus – also, attend opening night Circus party.

Joel Peresman (VP Concerts) – Perhaps trail Joel before Eric Clapton concert in April

Tim Hawkins (VP MSG Productions) – Sit in on one of the weekly “Oz” meetings that Tim directs. 2:30 TUES

Bobby Goldwater – Hang out with Bobby for a day to see the variety of things that he does at the Garden

Al Koch – Ticket taker at MSG for 60 years.

Stamatia Berner – Have a camera in Stamatia’s office while she’s on the phone helping out a customer that had a problem at an event.

Anne Marie Dunleavy – Perhaps checking out Anne Marie’s workspace, with all the flowers she’s sent from celebrities, and also catch her on the phone with a celeb or two. Don’t know what the status is of Suite 200, but this would be a great place, provided every celeb knew beforehand, to have the camera. The camera could catch Anne Marie greeting guests of the suite.

Lynton Harris – Madison "Scare" Garden creator – Follow him as he meets with potential vendors shopping their horrific wears for Halloween.
Dave Snowden – MSG's manager for Disabled Services – Follow him rolling around the arena, checking on handicapped seating during events.
