1 13:32 posted promotional materials for Cloverfield as
2 opposed to -- a licensed use as opposed to an
3 unlicensed use?

4 MR. GALDSTON: Object to the form of the
5 13:32 question. Lacks foundation and calls for
6 speculation and is compound.

7 THE WITNESS: Yeah, I'm not really sure
8 how to answer that question, because no one
9 sitting -- any general person sitting anywhere is
10 13:32 going to know whether something has been licensed or
11 not unless you follow up with those entities.
12 People at Paramount would answer the question.
13 People at X-Ray Dog who owned a piece of work would
14 answer the question.

15 13:32 BY MS. SCHULTZ:

16 Q. I'm going to show you what has been
17 marked -- what will be marked as Exhibit 6. It's
18 XD00063860.

19 (Whereupon Exhibit 6 was marked for
20 13:33 identification.)

21 THE WITNESS: Are you done with this one?

22 BY MS. SCHULTZ:

23 Q. Yes.

24 Now, this looks like a licensing agreement
25 13:33 for the use of Dethrone -- Dethroned --

1 13:33 A. Uh-huh.

2 Q. -- in a nonbroadcast trailer for the video
3 game Transformers Deep Six; is that correct?

4 A. Appears to be. Let me just keep looking
5 13:33 through it quickly.

6 Okay.

7 Q. Paragraph 4, License Use, states that,
8 "The licensee may use the work in trailers,
9 advertisements and promotional materials in
10 13:34 nontheatrical trailer for Internet use only."

11 Do you see that?

12 A. Yes, I do.

13 Q. Does the Internet include a posting of
14 that material on YouTube?

15 13:34 MR. GALDSTON: Object to the form of the
16 question. It calls for a legal conclusion.

17 THE WITNESS: The trailer for the video
18 game or any specific advertisement created with our
19 work in it can be posted on the Internet. The
20 13:34 client has the right to use it on any website it
21 seems -- deems appropriate for their marketing
22 campaign.

23 BY MS. SCHULTZ:

24 Q. So that means that the licensee could post
25 13:34 that material on YouTube, correct?

1 13:34 A. I wouldn't restrict them not to.

2 Q. Do you know whether the licensee posted
3 any content on YouTube pursuant to this license?

4 A. I'm not aware of it.

5 13:35 MR. GALDSTON: Object to the form of the
6 question. Calls for a legal conclusion.

7 THE WITNESS: I'm not aware of...

8 BY MS. SCHULTZ:

9 Q. Did you ever inquire as to whether the
10 13:35 licensee or its designee posted promotional
11 materials for Too Human on YouTube -- on -- I'm
12 sorry -- Transformers Deep Six on YouTube?

13 A. Who would I inquire with? The licensee?
14 I have not personally.

15 13:35 Q. And how would YouTube be able to determine
16 if the Ayzenberg Group or its designee -- I'm sorry.
17 Let's use the Ayzenberg.

18 How would YouTube be able to determine if
19 the Ayzenberg Group or its designee posted
20 13:36 promotional materials for Transformers Deep Six on
21 YouTube?

22 MR. GALDSTON: Object to the form of the
23 question. Calls for speculation.

24 THE WITNESS: I'm not sure how YouTube
25 13:36 does its practices of determining what goes on their

1 13:36 website. I can't speculate on what they do or don't
2 do.

3 BY MS. SCHULTZ:

4 Q. Is looking at the clip enough to determine
5 13:36 whether it's an authorized use or not?

6 MR. GALDSTON: Object to the form of the
7 question. Calls for speculation.

8 THE WITNESS: Yeah, I'm not sure how I
9 could answer that. I feel like we've kind of
10 13:36 answered this already.

11 Any person looking at something won't know
12 unless they've done their homework.

13 BY MS. SCHULTZ:

14 Q. And that homework would be...

15 13:36 A. Making sure that the rights for all
16 copyright owners with attached things were taken
17 care of.

18 Q. Paragraph 6 states that, "The licensing
19 fee is a special rate."

20 13:37 What does that mean?

21 MR. GALDSTON: Well, I object. The
22 document speaks for itself. And I think you've
23 mischaracterized. Mischaracterizes the document.

24 THE WITNESS: Yeah, I can't honestly say
25 13:37 why it says, "special rate."

1 13:45 correct?

2 MR. GALDSTON: Objection. Lacks
3 foundation. You're asking about this e-mail, not
4 the license --

5 13:46 MS. SCHULTZ: Yes.

6 MR. GALDSTON: -- that was actually
7 presumably subsequently executed, correct?

8 MS. SCHULTZ: Correct.

9 MR. GALDSTON: Okay.

10 13:46 THE WITNESS: I think it's also going on
11 the record that I'm -- my recollection is that this
12 didn't cover any of the two works in suit either.

13 BY MS. SCHULTZ:

14 Q. When you entered into licenses that were
15 13:46 for use of the works on the Internet, did you inform
16 YouTube that you had licenses out there that
17 permitted certain uses of your works?

18 A. That's a pretty compound question. If you
19 could break that up for me, it would be great.

20 13:46 Q. Did there ever come a time that you
21 notified YouTube that there was an authorized use of
22 your work that could be posted on YouTube?

23 MR. GALDSTON: And you're excluding
24 through the discovery process in this case?

25 13:47 MS. SCHULTZ: Yes.

1 13:47 MR. GALDSTON: So prior to this --

2 MS. SCHULTZ: Prior to.

3 MR. GALDSTON: Okay.

4 THE WITNESS: Okay.

5 13:47 I'm not sure what that just meant, but...

6 MR. GALDSTON: She's framing it in time.

7 So other than the mechanisms of the discovery in

8 this action, prior to the litigation...

9 THE WITNESS: To be honest with you, I'm

10 13:47 not going to inform all the various websites that we

11 have licenses in place. That would be mundane

12 administration work that I don't need to do.

13 We're having a hard enough time tracking

14 the people who use our music unauthorized, let alone

15 13:47 telling people this is authorized. Again, I would

16 never get anything done. This is a small company.

17 BY MS. SCHULTZ:

18 Q. So you've never informed YouTube of an

19 authorized licensed work?

20 13:47 A. I haven't informed any websites of any

21 authorized work.

22 Q. Including YouTube?

23 A. If you want to put it that way, yes.

24 Q. Does X-Ray Dog enter into blanket

25 13:48 licensing agreements?

1 13:48 MR. GALDSTON: Object to the form of the
2 question.

3 THE WITNESS: Well, not necessarily a true
4 blanket. There's merry -- there's very different
5 13:48 approaches to a blanket license. And the standard
6 generic blanket license, no, we do not.

7 BY MS. SCHULTZ:

8 Q. What is -- what would -- how would you
9 define a standard blanket license?

10 13:48 A. A client pays a fee, and they do not have
11 to report nor track the music they use under that
12 fee.

13 Q. Has XRD ever entered into a licensing
14 agreement where a licensee may choose from a pool of
15 13:49 XRD works to use over a specified period of time?

16 A. Not that I'm aware of. That doesn't sound
17 like something we would do.

18 Q. I'm going to hand you what's going to be
19 marked as Exhibit 8. It's XD00063639.

20 13:49 (Whereupon Exhibit 8 was marked for
21 identification.)

22 BY MS. SCHULTZ:

23 Q. Let me know when you're finished.

24 A. Okay.

25 13:50 Q. Was this license executed?

1 14:06 forward.

2 A. Okay.

3 Q. You know, you -- you get a little -- you

4 know, I mean, sometimes I just don't know exactly

5 14:06 what it is, and --

6 A. Yes.

7 Q. -- so if it's a list of subpublishers,

8 that helps me, because I didn't necessarily know

9 that.

10 14:06 A. Okay.

11 Q. Are these all of the subpublishers that

12 XRD has entered contracts with?

13 MR. GALDSTON: At present?

14 MS. SCHULTZ: At present is fine.

15 14:06 THE WITNESS: Yeah. Was there a date on

16 this sheet?

17 BY MS. SCHULTZ:

18 Q. There was not.

19 MS. KEEGAN: The e-mail.

20 14:06 MS. SCHULTZ: It was -- the e-mail was in

21 '07.

22 THE WITNESS: Okay.

23 Then I can't really say at present,

24 because it's '09. So without knowing immediately

25 14:06 offhand if any of these have changed -- well, a

1 14:06 couple have, but -- so as of 2007, this would be
2 accurate.

3 BY MS. SCHULTZ:

4 Q. And I think you just explained it, but it
5 14:07 says, "Statement received." Is that what -- that
6 would be when you receive a statement from the
7 subpublisher?

8 A. Correct.

9 Q. And you would receive those, you said,
10 14:07 about twice a year, every --

11 A. Yes.

12 Q. Okay.

13 And can these subpublishers execute
14 licenses for use of XRD's works on the Internet?

15 14:07 A. Yes.

16 Q. Does that include YouTube?

17 MR. GALDSTON: Object to the form of the
18 question.

19 THE WITNESS: Is YouTube on the Internet?

20 14:07 BY MS. SCHULTZ:

21 Q. You tell me.

22 A. Then I would say yes.

23 Q. What is EMI?

24 A. EMI is a large publishing company.

25 14:08 Q. And what is EMI's relationship with X-Ray

1 14:08 Dog?

2 A. They have several subpublishing agents in
3 various territories.

4 Q. Do you know which territories?

5 14:08 A. Well, off the top of my head, but looking
6 at this list -- well, first of all, they have
7 territories in -- they have companies in every
8 territory. We just chose not to go with some of
9 them.

10 14:08 Here it's Hungary. Ireland, which we've
11 since discontinued working with. Italy, same thing.
12 Scandinavia, we're still in business with them.
13 Sweden. Taiwan. And technically U.K. KPM Music is
14 a division of EMI.

15 14:08 MS. SCHULTZ: I'm going to hand you what's
16 going to be marked as Exhibit 10, which is
17 XD00057132.

18 (Whereupon Exhibit 10 was marked for
19 identification.)

20 14:09 THE WITNESS: Do I need this one still?
21 No?

22 BY MS. SCHULTZ:

23 Q. After you get a chance to look at the
24 agreement, if you could just let me know what this
25 14:09 agreement is.

1 14:17 e-mail?

2 A. I don't use the e-mail. It just is -- I
3 receive everything.

4 Q. Okay.

5 14:17 The bottom e-mail message is from
6 weison@ms2.hinet.net.

7 Do you know who that is?

8 A. I have no idea.

9 Q. Okay.

10 14:17 And from what you just said, does it make
11 sense, would that individual have sent an e-mail to
12 your website?

13 A. Yep.

14 Q. Okay.

15 14:17 So that e-mail went to your website e-mail
16 address?

17 A. Yep. We have several friends, maybe
18 hundreds, that kind of look out for us and let us
19 know when things look fishy, as this clearly was.

20 14:17 Q. So what that person did was send you a
21 YouTube clip and ask you, did they pay you anything?

22 A. Yep.

23 And the answer was no.

24 Q. And you wrote, "Here's a really good one
25 14:18 for the YouTube file," dot, dot, dot, question mark.

1 14:18 A. Uh-huh.

2 Q. What does that mean?

3 A. It would mean another infringement on
4 You- -- or I'm sorry -- another unauthorized use on
5 14:18 YouTube that we needed to look into.

6 Q. And then you say, "Would be nice to know
7 if this was licensed," dot, dot, dot, dot, "but I'm
8 not sure what language it is" --

9 A. Right.

10 14:18 Q. -- dot, dot, dot.

11 By looking at the YouTube clip, it wasn't
12 enough to let you know whether that was an
13 authorized use or not of your work?

14 MR. GALDSTON: Object to the form of the
15 14:18 question. Calls for speculation.

16 THE WITNESS: Yeah, because we would have
17 to consult with our foreign publisher.

18 But in this case, since it was a language
19 I couldn't tell, Asian language of some sort, I was
20 14:19 not even clear on which Asian country it would be.

21 BY MS. SCHULTZ:

22 Q. Why does not knowing what language the
23 video was in make it difficult to know whether it
24 was a licensed use?

25 14:19 A. Well, I'm not very proficient on the

1 14:19 different Asian -- you know, the language, the way
2 it's spelled out, you know, in its written form. I
3 couldn't tell.

4 Q. Do you remember this clip?

5 14:19 A. Off the top of my head, no.

6 Q. And it sounds like from before you said
7 you figured out that it was an unlicensed use?

8 MR. GALDSTON: Object to the form of the
9 question.

10 14:19 THE WITNESS: It didn't appear to be an
11 authentic production. It appeared to be a homemade
12 animated video.

13 BY MS. SCHULTZ:

14 Q. And so did you ever determine whether it
15 14:20 was an authorized use?

16 A. I can't say yes or no. I can't recall
17 exactly what the outcome was.

18 Q. Did anyone at X-Ray Dog follow up on this?

19 A. I believe we tried, yes.

20 14:20 Q. And what did you do?

21 A. I forwarded this to -- well, Mitch and
22 Lauren, who were handling some of the international
23 people contacts, publishers, and then they put forth
24 a question to their contacts.

25 14:20 I can't recall if there was an answer or a

1 14:20 license or if we added it to our Excel list of
2 YouTube unauthorized usages.

3 Q. You're not sure whether it got added?

4 A. I couldn't say 100 percent right now.

5 14:20 Q. Do you know how many hours XRD spent
6 trying to figure this out?

7 A. I would only guess several.

8 Q. And if it was difficult for XRD to
9 determine if this was a licensed use, how would
10 14:21 YouTube be able to tell if this was an authorized
11 use?

12 MR. GALDSTON: Object to the form of the
13 question. Calls for speculation. And has been
14 asked and answered.

15 14:21 THE WITNESS: Yeah. It would have to be a
16 system set up where whoever is broadcasting
17 materials has an agreement in place with whoever is
18 posting that that they have the rights to do such
19 things.

20 14:21 BY MS. SCHULTZ:

21 Q. So that's the system you believe should be
22 set up for YouTube?

23 MR. GALDSTON: Object to the form of the
24 question. It's argumentative. Calls for
25 14:21 speculation.

1 14:21 THE WITNESS: Yeah, I believe there is a
2 fiduciary duty or a duty by anyone broadcasting to
3 the world video information material that it's not
4 violating any other people's copyrights, which is
5 14:22 clearly the case with YouTube, which many of the
6 clips up there freely admit that, "I don't own the
7 copyright of this Star Wars video, nor this piece of
8 music from X-Ray Dog Music, but I'm posting it up
9 here anyway." It says it right there. Many of
10 14:22 these clips do the same thing.

11 So, unfortunately, we have no control over
12 stopping that. Because people do it daily.
13 Hundreds. We stop 10, 10 more show up. It doesn't
14 stop.

15 14:22 BY MS. SCHULTZ:

16 Q. What's the system you would propose that
17 YouTube follow to prevent unauthorized uses on its
18 site?

19 MR. GALDSTON: Object to the form of the
20 14:22 question. Calls for speculation. Asked and
21 answered. Lacks foundation.

22 THE WITNESS: I'm not an expert. I
23 can't -- I can't speak to that. I just -- I feel
24 like any entity that is large and broadcasting to
25 14:23 the world should have some responsibility to make

4 Do you see that?

5 03:26:19 A. Yes.

6 Q. Do you know what the context for
7 this e-mail is?

8 MR. GITTERMAN: Objection to the
9 form. Lacks foundation.

10 03:26:31 A. No. I read it's regarding the
11 BNP Paribas, but I don't know.

12 Q. Do you know why Mr. DuBois would
13 have sent a YouTube link which would allow
14 the people to whom he sent it to, "See the
15 03:26:51 video animations made and the ambience"?

16 MR. GITTERMAN: Objection to the
17 form. Lacks foundation. Calls for
18 speculation.

19 A. I don't know. Lionel DuBois is
20 03:27:03 in charge of animation for the BNP Paribas
21 Masters, which we organize, and apparently
22 is very creative.

23 Q. But in preparing for this
24 deposition, in particular for topic 5, you
25 03:27:35 didn't investigate the circumstances

surrounding Mr. Dubois's sending of an
e-mail that included a link to YouTube?

A. No.

03:27:42 Q. So I think you testified earlier
that there was at least one occasion on
which FFT uploaded videos to YouTube?

A. Yes.

Q. Has FFT ever had a channel on
03:28:10 YouTube?

A. I don't think so.

MR. GITTERMAN: Objection to the
form. Vague and ambiguous as to
channel.

03:28:15 Q. Are you familiar with an account
on YouTube called FFT multimedia.

A. I think that's the account that
Christoph creates without authorization.

Q. Who is Christoph Thoreau?

03:28:38 A. Christoph Thoreau is not
anymore, no longer with, working for the
French Tennis Federation. He was in
charge of the website.

Q. Which website?

03:28:55 A. Sorry. FFT.fr.

1 GRACH

2 Q. Do you know when the FFT
3 multimedia account was created on YouTube?

4 A. Exactly, no.

5 03:29:11 Q. And Mr. Thoreau was an employee
6 of FFT at the time that he created the
7 account?

8 A. Yes.

9 Q. Do you know how many videos were
10 03:29:24 uploaded to the FFT multimedia account?

11 A. No.

12 Q. Have you investigated
13 circumstances surrounding FFT's uploading
14 of videos to the multimedia account, in
15 03:29:35 preparation for this deposition?

16 MR. GITTERMAN: Objection to the
17 form. Vague and ambiguous.

18 A. I didn't go into details.

19 I think that's something which
20 03:29:49 has already been discussed last time, last
21 deposition. He opened this account
22 without authorization. He was not
23 necessarily aware of everything. And we
24 ask him to close the account.

25 03:30:21 Q. So you don't know the date the

A. No, the exact date.

Q. Do you know the date the account
03:30:26 was closed?

A. The exact date, no.

Q. Do you know whether FFT uploaded
videos to the FFT multimedia account after
the date on which it joined this lawsuit?

A. I'm going to be consistent with
03:30:54 what I told you.

Q. The answer is no?

A. Yeah.

Q. You don't know.

Why did Mr. DuBois upload videos
03:31:07 to YouTube?

A. That's a very good question.
Apart from the fact that he shouldn't do
so. I don't know. I don't know why he
03:31:36 did it.

Q. Do you think the purpose was to
promote FFT's tennis tournaments?

MR. GITTERMAN: Objection to the
form. Vague and ambiguous. And the
03:31:47 witness did already testify to this

MR. WILLEN: No, this is
03:31:53 squarely covered by topic 5, which you
did not object to. You had an
obligation to prepare this witness on
this topic to give this testimony.
The fact that you didn't do so is a
03:32:04 significant problem, but we are
dealing with it the best we can. So
we will take it up later.

MR. GITTERMAN: We have prepared
the witness, and in fact you had the
03:32:13 answer over a year ago.

MR. WILLEN: Not the answers to
the questions that I just asked.

MR. GITTERMAN: I think those
exact questions were asked over a year
03:32:26 ago, but you can ask them again.

Q. Was the purpose for which the
videos were uploaded to the FTT multimedia
account to promote that FTT was operating?

Q. Do you know what the particular videos were that were uploaded to the FFT multimedia account?

03:33:17 A. No.

Q. You haven't watched them or seen them?

A. No.

03:33:22 Q. Do you know whether any of those videos contained match footage of any tournaments that FFT organizes?

A. Let me put it this way: If we are talking about BNP Paribas --

Q. I don't know. I'm asking you.

03:33:52 A. Okay.

Q. Sure, I'll ask. Do you know whether any of the videos that were uploaded to the FFT multimedia account contained match footage from the BNPPM?

A. I don't know.

Q. Do you know whether FFT uploaded
03:34:32 to the FFT multimedia account promotional
videos for the FFT itself?

MR. GITTERMAN: Objection to the
form. Vague and ambiguous.

A. I did not watch the video
03:34:52 pieces, so I can't answer.

The only thing I know, and the
fact -- an account has been created by an
employee who was not allowed to do so
officially, didn't get the authorization
03:35:12 and that this account has been removed.
That's it.

Q. Did FFT ever have any
communications with YouTube about the FFT
multimedia account?

MR. GITTERMAN: Objection to the
03:35:32 form. Vague and ambiguous.

A. Sorry, repeat the question.

Q. Sure. Did FFT have any
communications with YouTube about the FFT
03:35:52 multimedia account?

2 MR. GITTERMAN: Objection to the
3 form. Vague and ambiguous as to
4 communications.

5 03:36:01 A. Officially, no. As Christoph
6 might have some communications with
7 YouTube, but it was not official.

8 Q. Christoph was an employee of the
9 FFT at the time the account was created?

10 03:36:16 A. Yeah.

11 Q. Have you ever heard the term
12 "viral marketing"?

13 A. Yes.

14 Q. What is viral marketing?

15 03:36:38 A. It is features you create
16 especially for Internet and some -- I
17 don't know -- in order for the end user to
18 promote, to make notice.

19 Q. Have you heard the term "buzz"?

20 03:37:00 A. Buzz, certainly.

21 Q. The purpose of viral marketing
22 is to create buzz?

23 A. Buzz, right.

24 MR. WILLEN: Let's look at a
25 03:37:17 document.

1 GRACH

2 (Grach Exhibit 18, 11/13/07

3 e-mail from Lionel DuBois, Bates

4 number FT00096527, marked for

5 03:37:20 identification, as of this date.)

6 MR. WILLEN: This is a document

7 produced by FFT, bearing the Bates

8 number FT00096527. That's an e-mail

9 from Lionel DuBois, dated November 13,

10 03:37:33 2007. This is also a French language

11 e-mail that has been translated.

12 MR. GITTERMAN: Same objection

13 to the translation.

14 Q. Do you recognize this e-mail?

15 03:38:20 A. Yes.

16 Q. This is an e-mail from Lionel

17 DuBois, dated November 13, 2007 --

18 A. Sorry, I don't recognize this

19 e-mail. I recognize -- I never seen this

20 03:38:34 e-mail.

21 Q. So --

22 A. Sorry.

23 Q. The subject is "Post Master's

24 buzz." Do you see that?

25 03:38:40 A. Yeah.

GRACH

1

2

Q. And Mr. DuBois says, "FYI, I

3

asked whether we could put one or two Dip

4

ITW on YouTube, just to create a little

5

03:38:51 buzz."

6

Do you see that?

7

A. Yes.

8

Q. Who is Dip?

9

A. Dip is a player, a French --

10 03:39:02

Arnold de Pasquale, who -- and now we use

11

them -- use him, sorry, to do some

12

interviews for our website.

13

Q. So do you understand the

14

reference to Dip ITW to be a reference to

15

03:39:25 Dip interviews?

16

A. Yes.

17

Q. And so Mr. DuBois is asking

18

whether he we can put one or two of the

19

Dip interviews on YouTube to create a

20

03:39:37 little buzz, right?

21

A. Yes.

22

Q. Would this be an example --

23

MR. GITTERMAN: Objection to the

24

form. Lack of foundation.

25

03:39:47 Q. Would this be an example of

1 GRACH

2 viral marketing?

3 MR. GITTERMAN: Objection to the
4 form. Vague and ambiguous, lacks
5 03:39:57 foundation. Doesn't say whether this
6 was ever done.

7 MR. WILLEN: You know what,
8 you've got to stop with the speaking
9 objections. They are inappropriate.

10 03:40:15 A. Sorry.

11 Q. I think my question was, would
12 this be an example of viral marketing?

13 MR. GITTERMAN: Same objections.

14 A. If creating a buzz is come from
15 03:40:35 the viral marketing, the answer is yes.

16 Q. And do you know, after the date
17 of this interview, whether in fact Dip
18 interviews were uploaded to YouTube
19 through the FFT multimedia account?

20 03:41:01 A. That ring a bell to me. I don't
21 remember exactly if, at the end of the
22 day, it has been -- it has been shown on
23 YouTube or not. But I don't know. I
24 don't know.

Pour info j'ai demandé si on pouvait mettre une ou deux itw de Dip sur "You tube", histoire de créer un peu de buzz.

Ainsi que le mix video art.

Si ce n'est pas sur "you tube", je suggère de les envoyer par mail à nos contacts, je pense que ça pourrait bien circuler, notamment l'ITW de santoro et de clément/lodra.

Enfin, the Original Sound track du bnppm 07 devrait sortir sous peu (avec 15 titres).

Fred,

on avait parlé de signature automatique des mails FFT qui serait brandé , le lien pourrait être www.tennis-billets.fr avec un logo sympa, mais les gens ne l'utiliseront pas si on ne le donne pas tout fait.

Subject: post masters buzz

FYI: I asked whether we could put one or two Dip itw on "You tube," just to create a little buzz. As well as the mix video art.

If it is not on "you tube," I suggest sending them to our contacts by email. I think they could circulate very well, especially the ITW of santoro and clement/lodra.

Finally, the Original Sound track of bnppm 07 should come out soon (with 15 titles).

Fred,

We spoke about automatic signature on the FFT emails that would be branded, the link could be www.tennis-billets.fr with a nice logo, but people will not use it if we don't give it to them completely.

Talk to you soon

Case No. 07 Civ. 3582 (LLS)

**THE MUSIC FORCE MEDIA
GROUP LLC, THE MUSIC FORCE
LLC, AND SIN-DROME RECORDS,
LTD.'S RESPONSES AND
OBJECTIONS TO DEFENDANTS'
FIRST SET OF REQUESTS FOR
ADMISSION**

Pursuant to Rule 36(a) of the Federal Rules of Civil Procedure, Named Plaintiff The Music Force Media Group LLC, The Music Force LLC, and Sin-Drome Records, Ltd. (collectively, "Music Force") hereby responds and objects to the Requests for Admission (the

“Requests”) propounded by Defendants YouTube, Inc., YouTube LLC and Google, Inc. (“YouTube” or “Defendants”).

GENERAL OBJECTIONS

The following general objections and statements (“General Objections”) apply to each of the particular Requests propounded by Defendants and are hereby incorporated within each response set forth below. All of the responses set forth below are subject to and do not waive the General Objections:

1. Music Force objects to the Requests on the ground that Music Force is still in the process of gathering and analyzing information relevant to these Requests. Music Force has not completed its review and analysis of all discovery obtained by the parties in this and the related *Viacom* action. Additionally, defendants and non-parties have produced more than 1.5 million pages of documents since October 13, 2009. Music Force has not yet examined each document produced by defendants or otherwise in this action for the purpose of determining which individual allegations of the Second Amended Class Action Complaint (“Complaint”) it might support, nor has Music Force completed depositions that may more fully reveal facts and information relevant to these Requests. As discovery is not yet closed, including deposition and expert discovery, and the production of remaining data and/or documents, Music Force’s responses to these Requests is preliminary and tentative subject to completion of discovery and following an adequate opportunity to review and analyze all discovery in this action.

2. In responding to these Requests, Music Force does not concede the relevance, materiality or admissibility of any of the admissions or responses sought herein. Music Force’s responses are made subject to and without waiving any objections as to relevancy, materiality, admissibility, vagueness, ambiguity, competency or privilege.

3. Music Force does not waive any of its rights to object on any ground to the use of its responses herein.

4. Music Force objects to the Requests to the extent that they set forth compound, conjunctive or disjunctive statements.

5. Music Force objects to the each request, instruction or definition to the extent that they seek to impose obligations beyond those imposed or authorized by the Federal Rules of Civil Procedure, the Civil Local Rules of the United States District Court for the Southern District of New York (“Civil Local Rules”), or the applicable standing orders and orders of this Court.

6. Music Force objects to the each request, instruction or definition to the extent that they seek information, documents, or other materials that are neither relevant to the subject matter of this action, nor reasonably calculated to lead to the discovery of admissible evidence.

7. Music Force objects to the each request, instruction or definition to the extent that they seek information, documents, or other materials protected by the attorney-client privilege, the work product doctrine, or any other applicable privilege or immunity.

8. Music Force objects to the each request, instruction or definition to the extent that they seek documents or information generated or compiled by or at the direction of Music Force’s counsel.

9. Music Force objects to the each request, instruction or definition to the extent that they seek information which is publicly available or which is already within Defendants’ possession, custody or control.

10. Music Force objects to the each request, instruction or definition to the extent that they are vague, ambiguous, overly broad or unduly burdensome.

11. Music Force objects to the each request, instruction or definition to the extent that they purport to require separate responses for each “Accused Clip” as compound and unduly burdensome.

12. Music Force objects to each request to the extent that they fail to specify an applicable time period and are thereby vague, ambiguous and overbroad.

13. Music Force objects to each request as premature to the extent that it calls for expert opinion, particularly with respect to requests that require a legal conclusion.

14. Music Forces object to the each request, instruction or definition to the extent that they purport to require Music Forces to respond to Defendants’ characterizations of legal contentions or call for the application of law to fact to the extent such request seeks disclosure of privileged information.

15. Music Force objects to the definitions of “the MF Entities”, “you” and “your” as overly broad and unduly burdensome, and further objects to the extent it seeks to impose obligations broader than those specified by Federal Rules of Civil Procedure 26, and Civil Local Rule 26.3(c)(5). Music Force further objects on the grounds that the definition includes an unknown and unknowable number of “present and former agents, employees, representatives, accountants, investigators, attorneys,” “person[s] acting or purporting to act on its behalf”, and “other person[s] otherwise subject to its control, which controls it, or is under common control with them.” Moreover, this definition includes “affiliates,” “divisions,” and “units” without any explanation of those terms’ meaning. Music Force further objects to the extent these definitions call for privileged information and to the extent they seek information outside of Plaintiffs’ possession, custody or control. In responding to the requests, Plaintiffs will construe the terms

“the MF Entities”, “you” and “your” to mean Named Plaintiffs collectively referred to herein as Music Force.

16. Music Force objects to the definitions of “Work(s) In Suit” and “Accused Clip(s)” as compound, vague and ambiguous. Music Force further objects to the extent these definitions call for privileged information. Music Force further objects to the definitions of “Work(s) In Suit” and “Accused Clip(s)” to the extent such definitions attempt to limit the number or identity of infringed works or instances of infringement for which Music Force seeks recovery. As set forth at paragraph 74 of the Second Amended Complaint, the infringed works specified by Music Force in this litigation are “representative of Protected Works that are and have been infringed by Defendants and/or YouTube’s users.” Similarly, the infringements identified in Exhibit A to the Complaint and within the Complaint are representative and not an exhaustive list of the ongoing and massive infringement by defendants. Music Force reserves all rights to identify additional infringements and infringed works.

17. Music Force objects to the definition of “substantially DMCA-compliant takedown notice” on the grounds that such definition vague and ambiguous as it requires a qualitative judgment and lacks common or ready definition.

18. Music Force objects to the definition of “YouTube Copyright Protection Service” on the grounds that such definition vague and ambiguous as it requires a qualitative judgment and lacks common or ready definition.

19. Where Music Force indicates a lack of information or knowledge sufficient to admit or deny a specific request, this lack of information or knowledge follows a reasonable inquiry by Music Force, and the information known or readily obtainable by Music Force is insufficient to enable the party to admit or deny.

20. Music Force reserves the right to supplement or amend these responses. These responses should not be construed as, and do not constitute, a waiver of Music Force's right to prove additional facts at summary judgment or trial or any other rights.

21. These general objections are continuing and are incorporated by reference in Music Force's answers to each of the Requests set forth below. Any objection or lack of objection to any portion of these Requests is not an admission. Music Force reserves the right to amend, supplement, modify, or correct these responses and objections as appropriate.

**MUSIC FORCE'S RESPONSES AND OBJECTIONS TO SPECIFIC
REQUESTS FOR ADMISSION**

REQUEST FOR ADMISSION NO. 1

Admit that at all relevant times YouTube was a "service provider" as that term is used in 17 U.S.C. § 512(k)(1)(B).

RESPONSE TO REQUEST FOR ADMISSION NO. 1

Music Force incorporates each of the foregoing General Objections. Music Force objects to this Request on the grounds that it is vague and ambiguous, including the term "at all relevant times." Music Force objects to this Request as vague and overbroad, including with respect to the terms “at all relevant times” and “material,” which are undefined terms. Subject to and without waiving the foregoing objections, Music Force denies this Request.

REQUEST FOR ADMISSION NO. 3

Music Force incorporates each of the foregoing General Objections. Music Force objects to this Request for Admission as vague and overbroad, including with respect to the term “material,” which is an undefined term. RESPONSE TO REQUEST FOR ADMISSION NO. 6

Music Force incorporates each of the foregoing General Objections. Music Force objects to this Request on the grounds that it is vague and ambiguous, including the term “material”. Music Force further objects to this Request to the extent it calls for a legal conclusion. Subject to and without waiving the foregoing objections, Music Force denies this Request.

REQUEST FOR ADMISSION NO. 7

Music Force incorporates each of the foregoing General Objections. Music Force objects to this Request on the grounds that it is vague and ambiguous, including the term “material.”

Subject to and without waiving the foregoing objections, Music Force denies this Request.

REQUEST FOR ADMISSION NO. 8

Admit that for all of the accused clips, prior to receiving a DMCA takedown notice from you identifying those specific clips, YouTube did not have “actual knowledge” that the material was infringing, as described in 17 U.S.C. § 512(c)(1)(A)(i).

RESPONSE TO REQUEST FOR ADMISSION NO. 8

Music Force incorporates each of the foregoing General Objections. Music Force objects to this Request to the extent it calls for a legal conclusion. Subject to and without waiving the foregoing objections, Music Force denies this Request.

REQUEST FOR ADMISSION NO. 9

Admit that on no occasion did YouTube fail to expeditiously remove or disable access to an accused clip to the extent YouTube became aware of facts or circumstances from which infringing activity was apparent, as described in 17 U.S.C. § 512(c)(1)(A)(ii).

RESPONSE TO REQUEST FOR ADMISSION NO. 9

Music Force incorporates each of the foregoing General Objections. Music Force objects to this Request as compound. Music Force further objects to this Request to the extent it calls for a legal conclusion. Subject to and without waiving the foregoing objections, Music Force denies this Request.

Music Force incorporates each of the foregoing General Objections. Music Force objects to this Request to the extent it calls for a legal conclusion. Subject to and without waiving the foregoing objections, Music Force denies this Request.

RESPONSE TO REQUEST FOR ADMISSION NO. 11

Music Force incorporates each of the foregoing General Objections. Music Force objects to this Request to the extent it calls for a legal conclusion. Subject to and without waiving the foregoing objections, Music Force denies this Request.

REQUEST FOR ADMISSION NO. 12

Admit that at all relevant times, access to and use of the youtube.com service was provided to users by YouTube free and without charge.

RESPONSE TO REQUEST FOR ADMISSION NO. 12

Music Force incorporates each of the foregoing General Objections. Music Force objects to the request as compound. Music Force further objects to the terms “at all relevant times”, “access” and “use” as vague and ambiguous. For example, “use” of and “access” to the youtube.com website includes various activities, such as advertising. Subject to and without waiving the foregoing objections, Music Force denies that “use” of the youtube.com website was provided free and without charge.

REQUEST FOR ADMISSION NO. 13

Admit that during all time periods relevant to this case, the revenues generated by the youtube.com service never exceeded the costs of operating the youtube.com service.

RESPONSE TO REQUEST FOR ADMISSION NO. 13

Music Force incorporates each of the foregoing General Objections. Music Force objects to this Request on the grounds that it is vague and ambiguous, including the terms "all time periods relevant to this case", "revenues", "generated", "service", "costs", and "operating". Music Force further objects to this Request on the grounds that it is premature, as discovery is ongoing and Music Force has not completed its review of relevant discovery obtained from Defendants.

REQUEST FOR ADMISSION NO. 14

Admit that at all relevant times YouTube had adopted and reasonably implemented, and informed its subscribers and account holders of, a policy that provides for the termination in appropriate circumstances of subscribers and account holders of YouTube who were repeat infringers, as described in 17 U.S.C. § 512(i)(1)(A).

RESPONSE TO REQUEST FOR ADMISSION NO. 14

Music Force incorporates each of the foregoing General Objections. Music Force objects to this Request as vague and ambiguous, including the terms "at all relevant times", "reasonably implemented" and "appropriate circumstances". Music Force further objects to this Request to the extent it calls for a legal conclusion. Subject to and without waiving the foregoing objections, Music Force denies this Request.

REQUEST FOR ADMISSION NO. 15

Admit that at no time relevant to this lawsuit have there been any "standard technical measures" in existence as that term is defined in 17 U.S.C. §§ 512(i)(1)(B) and 512(i)(2).

RESPONSE TO REQUEST FOR ADMISSION NO. 15

Music Force incorporates each of the foregoing General Objections. Music Force objects to this Request as vague and ambiguous, including the term “in existence”. Music Force further objects to this Request to the extent it calls for a legal conclusion. Music Force further objects to this Request on the ground that the requested matter is outside the scope of information relevant to this case. Subject to and without waiving the foregoing objections, Music Force denies Request.

REQUEST FOR ADMISSION NO. 16

Admit that there has been no broad consensus of copyright owners and service providers in an open, fair, voluntary, multi-industry standards process resulting in the development of “standard technical measures,” as defined in 17 U.S.C. § 512(i)(2).

RESPONSE TO REQUEST FOR ADMISSION NO. 16

Music Force further objects to this Request on the ground that the requested matter is outside the scope of information relevant to this case. Music Force further objects to this Request to the extent it calls for a legal conclusion. Music Force further objects to this Request to the extent it is not bounded by any time period.

REQUEST FOR ADMISSION NO. 17

Music Force further objects to this request on the ground that it seeks Music Force’s opinion regarding an incomplete hypothetical question, not the admission or denial of a fact. Subject to and without waiving the foregoing objections, Music Force denies that the presence of videos on youtube.com has the effect of increasing consumer demand, including, without limitation, when the works are being made available for free on youtube.com and are a substitution of the products sold or licensed by Music Force to third parties for a fee and/or otherwise damage Music Force’s business.

REQUEST FOR ADMISSION NO. 19

Music Force further object to this request on the ground that it misconstrues the parties’ respective obligations under applicable law. Subject to and without waiving the foregoing objections, Music denies this Request to the extent that DMCA takedown notices were sent to YouTube within one week of Music Force discovering the infringing content. Music Force states that, because of the huge volume of infringements of its works on the YouTube website, it notified YouTube in a manner compliant with the DMCA as expeditiously as possible after determining that each YouTube video that it claims as infringing in the Complaints in this action infringed its content.

ground that it misconstrues the parties' respective obligations under applicable law. Subject to and without waiving the foregoing objections, Music denies this Request to the extent that DMCA takedown notices were sent to YouTube within one month of Music Force discovering the infringing content. Music Force further objects to this Request on the ground that the requested matter is outside the scope of information relevant to this case. Music Force further object to this request on the ground that it misconstrues the parties' respective obligations under applicable law. Subject to and without waiving the foregoing objections, Music denies this Request to the extent that DMCA takedown notices were sent to YouTube within two months of Music Force discovering the infringing content. Music Force states that, because of the huge volume of infringements of its works on the YouTube website, it notified YouTube in a manner compliant with the DMCA

as expeditiously as possible after determining that each YouTube video that it claims as infringing in the Complaints in this action infringed its content.

REQUEST FOR ADMISSION NO. 22

Admit that You never requested YouTube to give You access to use a YouTube Copyright Protection Service.

RESPONSE TO REQUEST FOR ADMISSION NO. 22

Music Force incorporates each of the foregoing General Objections. Music Force objects on the grounds that YouTube has used several euphemisms to refer a number of “tools” that it offers to content owners. Music Force objects to this Request on the grounds that it is vague and ambiguous, including the term “YouTube Copyright Protection Service.” Music Force further objects to this Request on the ground that it calls for the disclosure of information protected by the attorney-client privilege and/or the work-product doctrine. Music Force further objects to this Request on the ground that the requested matter is outside the scope of information relevant to this case. Music Force further objects to this request on the ground that it misconstrues the parties’ respective obligations under applicable law. Subject to and without waiving the forgoing objections, and to the extent that “YouTube Copyright Protection Service” refers one or more of Defendants’ “tools”, Music Force states that Defendants have not made these tools readily available to Plaintiffs on reasonable terms.

REQUEST FOR ADMISSION NO. 23

Admit that YouTube never denied any request by You to use a YouTube Copyright Protection Service.

RESPONSE TO REQUEST FOR ADMISSION NO. 23

Music Force incorporates each of the foregoing General Objections. Music Force objects on the grounds that YouTube has used several euphemisms to refer a number of “tools” that it

Music Force further objects to this request on the ground that it misconstrues the parties’ respective obligations under applicable law. Subject to and without waiving the forgoing objections, and to the extent that “YouTube Copyright Protection Service” refers one or more of Defendants’ “tools”, Music Force states that Defendants have not made these tools readily available to Plaintiffs on reasonable terms.

RESPONSE TO REQUEST FOR ADMISSION NO. 25

Music Force incorporates each of the foregoing General Objections. Subject to and without waiving the foregoing objections, Music Force admits that Robert Caldwell is a co-

Music Force incorporates each of the foregoing General Objections. Subject to and without wavier of the foregoing objections, Music Force denies this Request.

RESPONSE TO REQUEST FOR ADMISSION NO. 40

Music Force incorporates by reference the General Objections. Music Force objects to the phrase “videos containing copyrighted works” as vague and ambiguous. Music Force objects to the extent that that the failure to specify an applicable time period renders the Request vague and ambiguous. Subject to and without waiver of the foregoing objections, Music Force admits that as a result of its inquiry into responding to these Requests, it learned that former Hyena Records participating partner Joel Dorn created the “hyenarecords” YouTube account without Henry Marx’s knowledge or authorization and caused to be uploaded a very limited number of videos (approximately eleven) to YouTube. Music Force further admits that none of the videos are related to the Works in Suit and that all such uploads appear to have occurred approximately two or more years ago.

REQUEST FOR ADMISSION NO. 41

Admit that You have uploaded videos containing copyrighted works to YouTube using the “bigdealrecords” YouTube account.

RESPONSE TO REQUEST FOR ADMISSION NO. 41

Music Force incorporates by reference the General Objections. Music Force objects to the phrase “videos containing copyrighted works” as vague and ambiguous. Subject to and without waiver of the foregoing objections, Music Force admits that as a result of its inquiry into responding to these Requests, it learned that former Music Force employee Layla Ross created the “bigdealrecords” YouTube account without Henry Marx’s knowledge or authorization and caused to be uploaded approximately one video to

REQUEST FOR ADMISSION NO. 43

Admit that Henry Marx created the “grumpoM” YouTube account.

RESPONSE TO REQUEST FOR ADMISSION NO. 43

Music Force incorporates by reference the General Objections. Subject to and without waiving the foregoing objections, Music Force denies this request.

REQUEST FOR ADMISSION NO. 48

Admit that Robert Caldwell filed a “First Amended Verified Complaint” in federal district court on March 4, 2008 alleging claims against You and Henry.

RESPONSE TO REQUEST FOR ADMISSION NO. 48

Music Force incorporates by reference the foregoing General Objections. Music Force objects to this Request on the grounds that it seeks information that is neither relevant to any claim or defense of any party nor reasonably calculated to lead to the discovery of admissible evidence. Subject to and without waiver of the foregoing objections, the Music Force admits that on March 4, 2008, Robert Hunter Caldwell, *et al.* filed a complaint in the United States District Court for the Central District of California against Henry G. Marx, *et al.* Music Force further admits that such complaint was dismissed with prejudice on July 9, 2009 and that Mr. Caldwell subsequently issued an apology to Mr. Marx in which he stated that the foregoing lawsuit was totally without merit.

REQUEST FOR ADMISSION NO. 49

Admit that, in a March 4, 2008 complaint filed by Robert Caldwell against You and Henry Marx, Robert Caldwell sued Henry Marx for, among other claims, “fraud.”

RESPONSE TO REQUEST FOR ADMISSION NO. 49

Music Force incorporates by reference the foregoing General Objections. Music Force objects to this Request on the grounds that it seeks information that is neither relevant to any claim or defense of any party nor reasonably calculated to lead to the discovery of admissible evidence. Subject to and without waiver of the foregoing objections, the Music Force admits that on March 4, 2008, Robert Hunter Caldwell, *et al.* filed a complaint in the United States District Court for the Central District of California against Henry G. Marx, *et al.* and that such complaint included a claim for fraud. Music Force further admits that such complaint was dismissed with prejudice on July 9, 2009 and that Mr. Caldwell subsequently issued an apology to Mr. Marx in which he stated that the foregoing lawsuit was totally without merit.

REQUEST FOR ADMISSION NO. 50

Admit that, in a March 4, 2008 complaint filed by Robert Caldwell against You and Henry Marx, Robert Caldwell alleged that Henry Marx engaged in a fraud against him in connection with, among other alleged acts and omissions, “the misrepresentation by omission and failure to disclose the existence of an opportunity to acquire a share of the ownership interest in the copyright composition ‘What You Won’t Do For Love,’ Marx’s intent to acquire the interest, or the fact that he had done so.”

RESPONSE TO REQUEST FOR ADMISSION NO. 50

Music Force incorporates by reference the foregoing General Objections. Music Force objects to this Request on the grounds that it seeks information that is neither relevant to any claim or defense of any party nor reasonably calculated to lead to the discovery of admissible evidence. Subject to and without waiver of the foregoing objections, the Music Force admits that on March 4, 2008, Robert Hunter Caldwell, *et al.* filed a complaint in the United States District Court for the Central District of California against Henry G. Marx, *et al.* and that ¶133 of such complaint stated and alleged, in part, “the misrepresentation by omission and failure to

disclose the existence of an opportunity to acquire a share of the ownership interest in the copyright composition ‘What You Won’t Do For Love,’ Marx’s intent to acquire the interest, or the fact that he had done so.” Music Force further admits that such complaint was dismissed with prejudice on July 9, 2009 and that Mr. Caldwell subsequently issued an apology to Mr. Marx in which he stated that the foregoing lawsuit was totally without merit.

REQUEST FOR ADMISSION NO. 51

Admit, consistent with allegations in counterclaims filed by You against Robert Caldwell on August 1, 2007, that as of August 1, 2008, “What You Won’t Do For Love [was] Robert Caldwell’s only bona fide hit as a recording artist”.

RESPONSE TO REQUEST FOR ADMISSION NO. 51

Music Force incorporates by reference the foregoing General Objections. Music Force objects to this Request on the grounds that it seeks information that is neither relevant to any claim or defense of any party nor reasonably calculated to lead to the discovery of admissible evidence. Subject to and without waiver of the foregoing objections, Music Force admits that Henry Marx, *et al.* filed a counterclaim on August 1, 2008 against Robert H. Caldwell, *et al.* and that ¶18 of such counterclaim alleged “[t]o date, “What You Won’t Do For Love” is Caldwell’s only bona fide hit as a recording artist.”

REQUEST FOR ADMISSION NO. 52

Admit that one of the issues disputed during litigation between You and Robert Caldwell was whether Robert Caldwell was the sole author of the song “Stuck on You.”

RESPONSE TO REQUEST FOR ADMISSION NO. 52

Music Force incorporates by reference the foregoing General Objections. Music Force specifically objects to this Request on the grounds that it seeks information that is neither relevant to any claim or defense of any party nor reasonably calculated to lead to the discovery

of admissible evidence and that the phrase “one of the issues disputed during litigation” is vague and ambiguous. Subject to and without waiver of the foregoing objections, Music Force admits that, consistent with ¶79 of counterclaim filed by Henry Marx, *et al.*, against Robert H. Caldwell *et al.*, on August 1, 2008, Henry Marx co-wrote “Stuck on You”.

Schapiro Exhibit 100

From: Joanne Price <joanne.price@avfc.co.uk>
Sent: Monday, October 5, 2009 6:10 PM
To: Oliver Weingarten <OWeingarten@premierleague.com>
Subject: Deed of Licence - Aston Villa
Attach: Premier Goals 2007-2010.pdf

Dear Oliver,

As requested, I set out below responses to Richard Scudamore's letter to the Club dated 7 September 2009 and your additional queries dated 22 September 2009.

Letter dated 7 September 2009

1. The Club has its own dedicated YouTube channel: <http://www.youtube.com/user/avtvextra>.
2. No such documents exist.
3. The Club had a prior contractual relationship with PremierGoals, but this was terminated in April 2008 due to PremierGoals having breached certain requirements of the Deed of Licence. A copy of the expired contract is attached.

Your email dated 22 September 2009

- (a) I have already provided you with copies of our International Club TV Block contracts.
- (b) No such documents exist. The Club has not entered into any agreements in relation to International Club Mobile Contracts.
- (c) No such documents exist. The Club does not make home video devices available to the United States.

YouTube Channel

Following your correspondence, the Club has carried out an internal review of each of the videos on its YouTube channel. We appreciate that while the Deed of Licence does not prevent the Club from operating a YouTube channel, it does restrict the extent to which certain content (namely Footage, Archive Footage, Sound Materials and Stills, as defined in the Deed of Licence) may be included in such a website.

The Club has over 70 videos on the website, the vast majority of which we believe to be fully in accordance with the terms of the Deed of Licence (being "behind-the-scenes" or non-PL footage). We have discovered, however, that there were 7 videos which did not fully comply with the Deed of Licence. These are as follows:-

<http://www.youtube.com/watch?v=iofrx-HNqE> - Still photos and commentary from the Birmingham match 13/09/09.
(viewers estimate: 1,100)

http://www.youtube.com/watch?v=wS_roSN0hB4 - Still photos and commentary from the Liverpool match 24/08/09.
(viewers estimate: 1,500)

<http://www.youtube.com/watch?v=th7X2ldHuQs> - Still photos and commentary from the Blackburn match 07/02/09.
(viewers estimate: 600)

<http://www.youtube.com/watch?v=XSNXxVI3ejQ> - Still photos and commentary from the Bolton match 13/12/08.
(viewers estimate: 600)

<http://www.youtube.com/watch?v=yAHGTzS90xM> - Still photos and Commentary from the Arsenal match 15/11/08.
(viewers estimate: 3,100)

<http://www.youtube.com/watch?v=BxqBrzAK6qU> - Match footage (2 x 5 seconds) (viewers estimate: 500)

<http://www.youtube.com/watch?v=IM8N81yXLAU> - Match footage (1 x 5 seconds) (viewers estimate: 77)

All of these videos have now been taken down from the website and are no longer accessible. I have arranged to meet with our media and marketing team to discuss the issues raised by our internal review. I have also explained the terms of the Deed of Licence to the relevant Club personnel in detail to ensure that all content placed onto Club websites in future will comply with the terms of the Deed of Licence.

In particular, other than on the Club's official website (www.avfc.co.uk) which is the UK Club Website and International Club Website for the purposes of the Deed of Licence, going forward the Club will ensure that no Footage, Archive Footage or Sound Materials (as defined in the Deed of Licence) will be featured on any Club websites and no Stills or Sequences of Stills (as defined in the Deed of Licence) will be featured on any Club websites within seven days starting from midnight on the day of the relevant Club Match.

Please give me a call to discuss when you have a moment.

Subject: You Tube documentation response

Dear Oliver,

I am writing with reference to your recent correspondence requesting information and documentation in respect of the Premier League's litigation against YouTube and its parent company Google.

1. Club's use of Youtube

- Chelsea Digital Media set up a club branded YouTube channel in February 2007. The primary purpose of this channel is to promote the club and Chelsea TV within this environment. As per the Premier League regulations, none of the video/media submitted to our Youtube channel contains any match footage whatsoever. While we accepted YouTube's standard terms and conditions via their website when setting up this channel, there is no other relevant documentation relating this that we have to send on to you.

2. Club's belief about the effect on their businesses of the availability of football related videos on Youtube

- We believe the availability of football related content via Youtube does not have a material impact on the club's activity nor the ability for the club to exploit its media rights.

3. Documents reflecting the club's making available Premier League footage by way of licensing

- Chelsea Digital Media has not licensed the use of any match footage to any website, aside from our official international club websites which are a Chinese language website operated in partnership with Premier Goals and a Russian language website – operated in partnership with the Chelsea Fan Club (Russia).

- CDM have licensed the club's international (ex UK and Eire) TV rights as follows –

1. North America – Setanta US (until June 2010)
2. All other international territories - IMG Media (until June 2013)

We also have an agreement with the Gifted Group, to whom we have licensed our DVD rights. Relevant documentation relating to the international TV and DVD rights has been posted to you separately by Amanda using special delivery.

I hope this adequately covers this off and do not hesitate to contact Alan or myself if you need to.

All the best and see you soon,

Cas Knight

1 11:23 Q. But you're not -- but neither co-owner is
2 required to get approval from the other before
3 licensing, correct?

4 A. Typ- --

5 11:24 MR. STELLINGS: Object to the form of the
6 question.

7 THE WITNESS: Like I said, typically, no,
8 but there are -- there are some instances where it
9 is required.

10 11:24 BY MR. JACOVER:

11 Q. In what instances is approval required?

12 A. That would depend on the composition, the
13 specific composition.

14 Q. And what about the specific composition
15 11:24 would require that the co-owner get approval?

16 A. When there's either a legal document or
17 some type of an arrangement where the co-owner has
18 requested that they be contacted prior to licensing
19 the composition.

20 11:24 Q. Does Stage Three have any agreements with
21 co-owners of compositions that it administers?

22 A. We do with Joe Egan, who's the co-writer
23 of the song "Stuck in the Middle With You," which is
24 included in one of the works in suit here.

25 11:25 And he has given us permission to enter

- 1 11:25 into this suit and function on his behalf.
- 2 Q. And does -- is approval required from Joe
- 3 Egan to license his songs?
- 4 A. He is one of the -- that is one of the
- 5 11:25 instances where we will go to his camp for approval
- 6 on a license.
- 7 Q. Are there any others, any other songs?
- 8 A. I can't recall off the top of my head
- 9 without having the song files to reference.
- 10 11:25 Q. Do you know if there are any other songs
- 11 that are works in suit in this case where Stage
- 12 Three would need to get approval from a co-owner
- 13 before licensing?
- 14 A. Yes, I know that.
- 15 11:26 Q. And what's the answer?
- 16 A. The answer is no.
- 17 Q. Okay.
- 18 Does Joe Egan own the other 50 percent of
- 19 "Stuck in the Middle With You"?
- 20 11:26 A. He does, he and his publishing entity.
- 21 Q. If you could turn to page 94389.
- 22 You'll see there's the column labeled
- 23 "Subpublisher (if applicable)"?
- 24 A. I see that.
- 25 11:27 Q. How many subpublishers does Stage Three

1 11:27 have?

2 A. Off the top of my head I'd have to say
3 roughly eight.

4 Q. And what territories are they responsible
5 11:27 for?

6 MR. STELLINGS: Objection. It's
7 repetitive. Ms. Slim already testified about this
8 issue.

9 You can tell him what you know.

10 11:27 THE WITNESS: Sure. That she did; yeah, I
11 did read that in Mary Ann's deposition, that she
12 pretty thoroughly went over all of that.

13 Shall I repeat?

14 BY MR. JACOVER:

15 11:27 Q. Well, it wasn't clear how many
16 subpublishers there were, so I'm just trying to get
17 a little more information on that.

18 A. Would you like me to name them
19 individually?

20 11:27 Q. Sure.

21 A. Okay. This is from memory here, so...

22 Q. Okay.

23 A. I'll do the best I can with it.

24 For the territory of Canada, we have Peer

25 11:28 Music Canada.

1 11:28 For Germany we have Wintrup Music.
2 For France we have Premiere Music.
3 For all Latin-speaking territories we have
4 Clippers Music, out of Spain.
5 11:28 For the territory of South Africa we have
6 Gresham.
7 For the territory of Japan we have
8 Watanabe.
9 Spell it? Okay.
10 11:28 For the territory of Australia we have
11 Native Tongue.
12 For minor eastern European territories we
13 have EMI.
14 For Sweden and one or two of the other
15 11:29 Nordic countries we have Bonnier.
16 And for several other minor European
17 territories we have -- we have Shubert.
18 And I believe that that's pretty
19 inclusive.
20 11:30 I might be missing one or two.
21 Q. Okay.
22 A. But that's most of the world there.
23 Q. And do the Stage Three subpublishers, do
24 they administer any of the works in suit?
25 11:30 A. Only in their territory.

1 11:30 Q. Are the subpublishers required to get
2 approval from Stage Three before issuing licenses?
3 A. Yes.
4 Q. Does that approval have to be written?
5 11:30 A. It is written, yes.
6 Q. And does Stage Three track all of the
7 subpublisher licenses?
8 A. Can you explain what you mean by "track"?
9 Q. Does Stage Three keep track of the
10 11:31 licenses issued by its subpublishers, either in a
11 database or something like that?
12 A. Well, the sync licenses are kept track of
13 in this document that we're looking at here
14 (indicating).
15 11:31 Q. And these include sync licenses issued by
16 subpublishers, as well?
17 A. Yes, that we know of -- yes, the ones we
18 know of.
19 Q. Are there some that you don't know of?
20 11:31 A. Typically, no. Yeah, it's accurate to say
21 no.
22 Q. Well, I'm a little confused. You said
23 "the ones we know of," which seems to imply that
24 there are ones that you don't know of.
25 11:31 A. And then I said "typically, no," and then

1 15:03 (Whereupon Exhibit 12 was marked for
2 identification.)

3 (Whereupon Exhibit 13 was marked for
4 identification.)

5 15:03 BY MR. JACOVER:

6 Q. So these exhibits have been marked Stage
7 Three (US) Exhibits 11, 12 and 13.

8 And have you had a chance to look these
9 over?

10 15:05 Have you -- have you seen each of these
11 documents before?

12 A. I have not seen these documents
13 specifically.

14 Q. Have you seen other take-down notices sent
15 15:05 by BayTSP on behalf of Stage Three?

16 A. I have.

17 Q. So do you know whether those other
18 take-down notices have been produced by Stage Three
19 in discovery in this case?

20 15:05 A. I do not specifically -- no, I don't know
21 that.

22 Q. Do you recall approximately what the dates
23 were for those other -- the other take-down notices
24 that you've seen?

25 15:06 A. I do not.

1 15:06 Q. Do you recall what year they were sent?

2 A. Late 2008, early 2009.

3 Q. Okay.

4 So, again, to the extent that these other
5 15:06 take-down notices have not been produced, we will
6 request production.

7 MR. STELLINGS: I mean, for the record,
8 it's my understanding that we've produced to
9 defendants all of the take-down notices. But I
10 15:06 understand that you are saying that you haven't
11 identified them, and, therefore, I will try to
12 figure out what's been produced and what has not
13 been produced, if anything.

14 MR. JACOVER: Okay.

15 15:06 BY MR. JACOVER:

16 Q. For the take-down notices that you have
17 seen, do you know if YouTube responded promptly to
18 those take-down notices?

19 A. They did.

20 15:07 Q. Has Stage Three ever had a problem with
21 YouTube not responding promptly to a DMCA-compliant
22 take-down notice?

23 A. We have not.

24 Q. Do you know how the URLs that are listed
25 15:07 in the take-down notices that you've seen were

1 15:07 identified?

2 MR. STELLINGS: Object to the form of the
3 question.

4 You can answer.

5 15:07 THE WITNESS: BayTSP identified those
6 URLs.

7 BY MR. JACOVER:

8 Q. And did anyone at Stage Three review those
9 URLs?

10 15:07 A. The process that I explained before is
11 that BayTSP collects all URLs. They are then sent
12 to our lawyers for review.

13 Q. So since you haven't seen these particular
14 take-down notices before, I'll just represent to you
15 15:08 that they have URLs for several works that are not
16 works in suit in this case.

17 So my question is, why did Stage Three
18 decide to send take-down notices for those works
19 instead of adding them to the works in suit?

20 15:08 MR. STELLINGS: You can answer to the
21 extent that it doesn't implicate any communications
22 from your lawyers.

23 THE WITNESS: Any answer that I give would
24 implicate conversations I had with my lawyers.

25 11:02 BY MR. JACOVER:

1 15:09 Q. Why did Stage Three decide to bring this
2 lawsuit with respect to the works in suit instead of
3 just sending take-down notices, as they did for some
4 of the works in suit in the exhibits I just showed
5 15:09 you?

6 MR. STELLINGS: I'll object.
7 You can answer to the extent that you can
8 do so without implicating attorney-client
9 communications.

10 15:09 THE WITNESS: Again, I mean, any answer
11 that I would give would implicate attorney-client
12 conversations.

13 And we have been discussing this in detail
14 for a long, long time, and every bit of it we've
15 15:09 discussed.

16 BY MR. JACOVER:

17 Q. I'm sorry. Every bit of it we discussed
18 what?

19 A. We've discussed.

20 15:10 MR. STELLINGS: You mean with your
21 lawyers?

22 THE WITNESS: In regards to -- yeah.

23 BY MR. JACOVER:

24 Q. Okay.

25 15:10 A. The take-down notices and specifically

1 15:10 regarding your question.

2 Q. Stage Three has never brought -- hasn't
3 brought any lawsuits or other actions against the
4 individuals that posted the clips in these take-down
5 15:10 notices or in any of the other take-down notices
6 you've seen; is that right?

7 A. There was -- there was an action brought
8 upon as a result of one -- one clip that we -- that
9 we saw relating to the Baltimore Ravens.

10 15:11 Q. Okay.

11 A. I don't -- I'm sorry. I don't -- I'm not
12 a lawyer.

13 Q. When you're looking at your lawyer, it
14 makes it seem as if you're looking to him for --

15 15:11 A. I'm looking for him to stop me if I get
16 close to saying something that, you know, exposes
17 attorney-client conversations.

18 Q. Okay.

19 A. That's all I'm doing there.

20 15:11 Q. The whole object as needed.

21 A. I speak very quickly sometimes, though.

22 Q. So can you just describe to me the
23 situation relating to the Baltimore Ravens.

24 A. The Baltimore Ravens had a contest at one
25 15:11 of their games where they played the song "Walk This

1 15:11 Way" and had fans from the audience dance to it.
2 And one of the contestants posted himself dancing to
3 "Walk This Way" on the field and posted it to
4 YouTube.

5 15:12 We became aware of this clip and contacted
6 the Baltimore Ravens, asking them why they didn't
7 come to us for a license or come to the -- and they
8 used the original master -- or coming to the label
9 for a license.

10 15:12 Q. Did you take --

11 A. And --

12 Q. Oh, go ahead.

13 A. And we ended up settling with the
14 organization.

15 15:12 Q. Did you take any action with regard to the
16 clip that was posted on YouTube?

17 A. A take-down notice was sent.

18 Q. And did you take any action against the
19 individual that had posted the clip?

20 15:12 A. No.

21 Q. Has Stage Three ever retracted a take-down
22 notice that it had sent?

23 A. Yes.

24 Q. In what instances do you remember?

25 15:13 A. We sent -- I'm sorry?

1 15:13 Q. Yeah, please describe the instances in
2 which Stage Three has retracted a take-down notice?

3 A. There was one instance where take-down
4 notices were sent to Eagle Rock Communications.

5 15:13 Q. And what was the situation with Eagle Rock
6 Communications?

7 A. Eagle Rock is a record label who produced
8 a DVD of ZZ Top live, and Stage Three entered into a
9 mechanical license with them for that DVD that also
10 15:13 included a synchronization license, because it's
11 a -- it's got a video sync, as well, and it did,
12 indeed, include -- the license did include granting
13 of the rights to post clips of the DVD on the
14 internet for -- in whole or in part.

15 15:14 Q. The unlimited internet rights?

16 A. It was all media, yes.

17 Q. And so had Eagle Rock Communications
18 posted a video on a website?

19 A. Eagle Rock had posted on YouTube, on their
20 15:14 YouTube channel, several of the ZZ Top -- clips of
21 the ZZ Top DVD.

22 Q. And so Stage Three sent a take-down notice
23 regarding those clips?

24 A. BayTSP did.

25 15:14 Q. And how did you come to be aware that

1 15:14 those clips were, in fact, authorized to be on
2 YouTube?

3 A. We received an e-mail from an
4 administrative personnel at Eagle Rock.

5 15:15 Q. And what did that e-mail inform you?

6 A. That we've been sent take-down notices by
7 BayTSP for the Stage Three Music content, and we
8 feel we have the right to post this content.
9 Please, can we discuss this. Along those lines.

10 15:15 Q. And how did Stage Three respond?

11 A. We did have a conversation with Eagle
12 Rock. We did review the license. And we did
13 ultimately allow them to keep their content posted
14 on YouTube.

15 15:15 Q. Is that video still up on YouTube, to your
16 knowledge?

17 A. It is.

18 Q. So how did BayTSP come to identify this as
19 an infringing clip for which it sent a take-down

20 15:16 notice?

21 A. Using the software that they use to
22 identify these clips in the first place.

23 Q. So would you classify this as a mistake
24 when they sent a take-down notice to YouTube?

25 15:16 A. I think "an oversight" is better.

1 15:16 Q. An oversight on BayTSP's part?

2 A. No, oversight on behalf of our lawyers.

3 Q. How so?

4 A. In that it was -- or it could -- you know,

5 15:17 excuse me. Let me back up. That could also be an

6 oversight on Stage Three's part, as well. Because,

7 as I've mentioned a couple times now, BayTSP sends

8 all occurrences of our content on YouTube to our

9 lawyers. Our lawyers review it. And there were

10 15:17 instances where some of those URLs were discussed.

11 And this was -- this should have been one of those

12 instances that was discussed. And it's possible

13 that we -- I don't recall exactly. We reviewed a

14 lot of these. And I don't -- again, I don't recall

15 15:17 exactly how it happened, but this could have been

16 one that was caught. So I say "oversight."

17 Mistake.

18 Q. Same thing?

19 A. In that -- in that neighborhood.

20 15:18 Q. Has Stage Three provided any guidelines to

21 its lawyers about when it should discuss a

22 particular URL on YouTube?

23 A. No. Again Stage Three doesn't give legal

24 advice to our lawyers. We take legal advice from

25 15:18 our lawyers.

1 15:18 Q. Well, you said that this was one -- an
2 instance that should have been discussed. I'm
3 trying to understand how you determined which URLs
4 are -- which URLs prompt this discussion -- further
5 15:18 discussion on whether --

6 A. Those decisions --

7 Q. -- they are authorized?

8 A. I'm sorry. I'll let you finish.

9 Q. I'm finished.

10 15:18 A. Those decisions were made by our lawyers.
11 They then sent us the URLs that they wanted to
12 discuss with us, not the other way around, yeah.

13 Q. So this particular URL was not sent to
14 Stage Three, then?

15 15:19 A. I don't know specifically. Like I say,
16 there were a couple. So I don't know if this made
17 it to us. But somewhere Stage Three should have
18 been able to identify that as a -- and ultimately we
19 did identify it as a licensed use.

20 15:19 Q. But not until after the take-down notice
21 had been sent, correct?

22 A. Correct.

23 Q. Were there any written communications
24 regarding this retraction of the take-down notice?

25 15:19 A. I believe there were e-mails.

1 15:40 Q. In Torrance's e-mail she includes a
2 YouTube link of the "Ax Men" trailer concerning this
3 song "Back Road Boogie", right?

4 A. Yes.

5 15:40 Q. So if you could turn, then, to the first
6 page of this document, Professor Ferrara responds to
7 Ms. Torrance's e-mail, and he says, "I listened to
8 the trailer and to 'La Grange'. There are many
9 instrumental parts and elements in the one-minute
10 15:40 long trailer requiring a great deal of musical
11 transcription. That transcription must then be
12 compared to a transcription of 'La Grange'. I
13 estimate that this will require approximately four
14 hours of transcription and analysis."

15 15:40 Do you see that?

16 A. Yes.

17 Q. Is that the typical process that a
18 musicologist would go through in analyzing one of
19 these soundalikes to determine if they are
20 15:41 infringing?

21 MR. STELLINGS: Objection.

22 You can answer if you know.

23 THE WITNESS: There is no typical.

24 I can tell you that in this instance "La
25 15:41 Grange" is a song that is rooted in the American

1 15:41 blues tradition, and there are many subtleties that
2 need to be taken into account. And that's why, I
3 think, it required that amount of work.

4 BY MR. JACOVER:

5 15:41 Q. And that's why hiring a musicologist was
6 necessary in this case, correct?

7 MR. STELLINGS: Objection.

8 You can answer.

9 THE WITNESS: We hired the musicologist --
10 15:41 well, this is -- I don't want to divulge what we've
11 discussed with our other -- our other sets of
12 lawyers that we do consult with.

13 MR. STELLINGS: Okay. And you shouldn't.

14 THE WITNESS: Because we did have
15 15:42 discussions with our lawyer regarding this
16 infringement.

17 BY MR. JACOVER:

18 Q. And did you take any action with respect
19 to this soundalike "Back Road Boogie"?

20 15:42 A. We sent -- yes. We sent a cease and
21 desist after having tried to do a -- to license the
22 composition.

23 Q. And did Professor Ferrara provide the
24 requested analysis?

25 15:42 A. He did.

1 15:42 Q. And what were the -- what was the results
2 of his analysis?

3 A. He concluded ultimately that it was not an
4 infringement.

5 15:43 Q. So if he concluded this was not an
6 infringement, why did you send a cease and desist
7 regarding this compo- -- regarding "Back Road
8 Boogie"?

9 A. It was a timing issue. While he was still
10 15:43 in the process of reviewing it, we jumped the gun a
11 bit and sent a cease and desist. By the time we
12 received the full report from the musicologist, we
13 then stood down.

14 Q. Did you send a take-down notice to YouTube
15 15:43 regarding the clip that had been posted on the site?

16 A. No.

17 Q. Why not?

18 A. It was an -- it was an advertisement for
19 the show. And it's not our composition. So if it's
20 15:44 not our composition, we can't be sending take-down
21 notices.

22 Q. When you say "it's not our composition,"
23 you're referring to "Back Road Boogie"?

24 A. "Back Road Boogie" is not a Stage Three
25 15:44 composition.

1 15:44 Q. Well, if you had determined that it was an
2 infringement, "Back Road Boogie" was an infringement
3 of "La Grange", would you then have sent a take-down
4 notice to YouTube?

5 15:44 MR. STELLINGS: Objection. Hypothetical.
6 You can answer.

7 THE WITNESS: Had we determined it was an
8 infringement, it would -- it would depend. If we
9 issued a license after the fact, we might have
10 15:45 granted all media rights and, therefore, not sent
11 out a take-down notice.

12 BY MR. JACOVER:

13 Q. In which case it would be authorized to be
14 on the site?

15 15:45 A. In which case it would be authorized to be
16 on the site, unless YouTube was excluded from that
17 language.

18 Q. Should YouTube have taken any action in
19 response to this clip appearing on the site?

20 15:45 MR. STELLINGS: Object to the form of the
21 question.

22 You can answer.

23 THE WITNESS: Should they have, according
24 to me?

25 15:45 BY MR. JACOVER:

1 16:13 A. I do.

2 Q. Is he your -- Stage Three's Australian
3 subpublisher?

4 A. No. He's an employee -- he's a former
5 16:13 employee of Native Tongue, who is Stage Three's
6 Australian's subpublisher.

7 Q. So he's affiliated -- or used to be
8 affiliated with Australia's Stage Three
9 subpublisher?

10 16:13 A. He was, yes.

11 Q. And he was affiliated with them at this
12 time, I presume, correct?

13 A. He was.

14 Q. And this is February 15, 2007, was when he
15 16:13 sent his e-mail, correct?

16 A. That's what it says, yes.

17 Q. If you could turn to page 4 of this -- of
18 the attachment.

19 There's a heading "Previous Releases" and
20 16:14 then a subheading "Previous Videos."

21 Do you see that?

22 A. I do.

23 Q. And under that subheading there are three
24 YouTube links for the videos: "Sixteen Military
25 16:14 Wives," "Los Angeles I'm Yours," and "The Solidering

1 16:14 Life."

2 A. "Soldiering."

3 Q. I guess that's spelled wrong.

4 A. It is.

5 16:14 Q. "The Soldiering Life."

6 A. You said it right; they spelled it wrong.

7 Q. Okay.

8 Do you have any idea why these YouTube

9 links were included in this marketing plan?

10 16:14 A. This was created by EMI Capital,

11 Australia. And I do not know why they would include

12 YouTube links.

13 Q. And what is EMI Capital Australia?

14 A. It's a record label.

15 16:14 Q. And are they affiliated at all with Stage

16 Three's subpublisher in Australia?

17 A. What do you mean by "affiliated"?

18 Q. Did they -- I shouldn't say "affiliated."

19 Did they work with Australia's Stage

20 16:15 Three -- sorry -- Stage Three's Australia

21 subpublisher?

22 A. It appears that they have worked with

23 them, yes.

24 Q. And do you know who may have posted these

25 16:15 clips on YouTube?

1 16:15 MR. STELLINGS: Object to the form of the
2 question.

3 THE WITNESS: I do not know.

4 BY MR. JACOVER:

5 16:15 Q. Do you know if Stage Three made any effort
6 to determine if these videos were authorized to be
7 on YouTube?

8 A. I believe that take-down notices were sent
9 for all of our content that was on YouTube that was
10 16:15 not authorized.

11 Q. And is that based on your presumption that
12 BayTSP finds and removes all of Stage Three's
13 content?

14 A. Yes.

15 16:16 Q. Do you know if anyone at Stage Three ever
16 instructed its subpublisher not to post or link to
17 videos on YouTube?

18 A. No one instructed our subpublishers not to
19 do that.

20 16:16 Q. Are you aware of any Stage Three artists
21 that have an official channel on YouTube? I should
22 say Stage Three writers.

23 A. Writers. Yeah.

24 The only one I'm aware of is the one that
25 16:16 I mentioned before, which was the Aerosmith writers.

1 16:16 Q. Did they have an official YouTube channel?

2 A. Yes.

3 Q. Okay.

4 A. So it's the one that contains the

5 16:16 interviews and Brad Whitford driving a --

6 Q. Are you aware of any other --

7 A. -- racecar.

8 Q. Sorry.

9 Are you aware of any other Stage Three

10 16:17 writers that have an official channel on YouTube?

11 A. I am not.

12 MR. JACOVER: I'm going to show you two

13 exhibits at once, which we will have marked as Stage

14 Three (US) Exhibits 17 and 18, both of which consist

15 16:17 of printouts from two different websites.

16 (Discussion off the record.)

17 MR. JACOVER: Can we go off the record for

18 one second?

19 MR. STELLINGS: Do you want to take a

20 16:18 quick bathroom break now?

21 MR. JACOVER: Sure. Take a quick break.

22 THE VIDEOGRAPHER: We are going off the

23 record at 4:19 p.m.

24 (Recess.)

25 16:19 //

1 16:40 A. Okay.

2 Now, making -- you asked me, should

3 YouTube know whether or not the content posted here

4 is authorized or unauthorized by looking at it,

5 16:41 right?

6 Q. Well, not quite what I asked, but let's --

7 A. Let's say you did.

8 Q. Let's say that's the question, okay.

9 A. Okay. And then my response to that is,

10 16:41 rather than -- my other question I answered, I was

11 answering in the frame of this is all the damages

12 that have already been done, it was saying -- this

13 is from the inception of YouTube to now. My answer

14 relating to this was business model for YouTube

15 16:41 going forward, that it should not allow any

16 content -- it's already allowed all this content --

17 unauthorized content on its website as it stands,

18 but I'm saying going forward, YouTube should know

19 what content is authorized simply by insisting that

20 16:41 anyone who uploads videos to their website have a

21 legitimate license in place.

22 That was really long. And I hope you

23 understood what I was getting at.

24 Q. I think so.

25 16:42 A. I mean, it's -- here's another way of

1 16:42 answering that question, and this is easier and
2 clearer.

3 Q. Okay. Go ahead.

4 A. We know that -- I might have bitten off
5 16:42 more than I can chew, but I'll continue. We know
6 that Stage Three and YouTube don't have any
7 agreement between the two companies, so with that in
8 mind, 99 percent of whatever is posted on YouTube is
9 unauthorized, just by virtue of knowing that any of
10 16:43 Stage Three content that ends up on YouTube is
11 unauthorized, with the exception of the occasional
12 video trailer and advertisement where we grant all
13 media rights.

14 It would actually be easier for Stage
15 16:43 Three to say, okay, here are the, you know, 15 or 20
16 instances where it's actually okay for a production
17 company or a studio to upload YouTube videos where
18 we've granted these rights; here are the 15 or 20
19 instances of that.

20 16:43 Q. And has Stage Three ever done that?

21 A. No.

22 Q. Has Stage Three ever informed YouTube of
23 the instances when the content was authorized to be
24 on the site?

25 16:43 A. We're in the process of doing that right

1 16:43 now --

2 Q. What --

3 A. -- via this suit.

4 Q. My question is, has Stage Three ever

5 16:44 informed YouTube of content that is authorized to be
6 on the site?

7 A. We've, via BayTSP, informed them of what's
8 not authorized to be on their site.

9 Q. That's not my question.

10 16:44 You just said it would be easier if
11 Stage -- hold on.

12 A. Yes.

13 Q. -- if Stage Three would inform YouTube of
14 the content that is authorized to be on the site.

15 16:44 And my question is -- it's very simple -- has Stage
16 Three ever informed YouTube --

17 A. No.

18 Q. -- of that content?

19 A. No.

20 16:44 Q. Okay.

21 A. But I'm saying that -- and I would like to
22 finish my thought here --

23 Q. Sure.

24 A. -- which is, so if we were to inform you

25 16:44 of the roughly 15 or 20 authorized uses, you could
