I will quit my job, relocate, and volunteer every waking hour if Obama runs. We need someone with a conscience!

I love my Senator. He can hold his own with anyone. He has had my vote before and will again if he runs in '08!

Barack Obama would be a massive improvement over what we got right now. I just wish there weren't so many racist idiots out there that are still clueless when it comes to government accountability. Hey... we've got a handful that leave comments here....

now barrack obama is prob. the worst possible name to run for presidency with, sounds like the name of a terrorist camp

he seems to be ok, quick thinker, but this book... well guess you cant make it in the us without a bit of schmaltz, hope they put it in a book to keep it out of politics

stewart is rily anythg but overhyped, he has worked from the bottom up and has done some rily great things for the democracy, he deserves all the attention he gets and he selflessly passes it on to the cause

Give America a chance to redeem itself.
