Subject: Fwd: Erik Klein OOO this week

FYI. IM'd with Erik this morning and thought this would be an appropriate way to go for now, but let me know if you want me to send an update/correction and we can have those bugs assigned to someone else (preferably in Product Eng) this week while Erik's out.

I'm fine either way.

Thanks,
V :)

Erik Klein is OOO all week, but will be checking email periodically.

In his absence, please assign all bugs you'd normally assign to him to me (e.g., sign up bugs) and I'll get them to the appropriate engineer. Bugs in the following should be assigned directly to these engineers:

- Admin, except for Featured Videos & Video Campaign -- Shruti Chugh (shrutip@google.com)
- Content Mgmt, incl. Featured Videos & Video Campaign -- Jake McGuire (mcguire@google.com)
- Ads, incl. anything to do with DoubleClick -- Herb Ho (hho@google.com)

If it urgent, please call or IM me today while I'm in MV ([REDACTED]). I'll be SBO the rest of the week.

FYI - Erik has already fwded the issues reported through Buganizer this morning to other engineers (sign up invalid parameters to Mike Solomon & Paul Tuckfield; international characters issues to Sugu and Rizzo). Please check with them for status and (if needed) re-assign these bugs to them (sorry, I can't get into Buganizer now!)

Thanks,
V :)
