Hi Courtney,

As discussed, here's all our current content syndication information:

- 1.) Profile Names – below you'll find profile names, some specific Paramount Official ones, and others that are more viral names that our online street team has used on multiple sites (sites listed below as well)
- 2.) Videos we're currently syndicating - I've attached our streaming links and a couple quicktime files of videos we're currently working on syndicating. In addition, this featurette just debuted exclusively on IGN (we don't yet have streaming links):

Shooter Featurette: [http://media.movies.ign.com/media/034/034419/vids\\_1.html](http://media.movies.ign.com/media/034/034419/vids_1.html)

And there are also a couple pieces of content I don't have streaming links handy for, but I think you should have anyways (let me know if you'd like me to find):

Zodiac Theatrical Trailer

Disturbia Theatrical Trailer

Shrek the Third – Trailer 2

Transformers – Teaser Trailer

- 3.) Lastly, at the end of this email I pasted direct links to some of the more viral original content we've posted.

As discussed, I've also added you to our webmaster blast syndication (in addition to Mark and Evelyn), so you will get all these links as they come out. Let me know if you ever have any questions about the content of the webmaster blasts, or about anything else you come across online.

Let us know if you have any questions at all. Thanks, Courtney!

no ur the moron that cant relate 2 his music.tupac livedd in the gutter man,in the bad places in nyc.he was homeless,moved around alot,i bet u eat great in thanksgvin or christmas but for him it was a piece of bread and peanut butter that was it, he lived rough,so if u cant relate 2 his music then u did not live in bad environment,in those times when there was racism,blacks killin blacks,and other issues he live through hell and got out,but in sept.13 hes in heaven

Hi Bryan,

As this is no longer on the homepage, it may be more trouble than it's worth, as you'll lose all your views and comments again. Also, we are unable to re-link the videos that show on the Most Viewed Pages, so these will still point to the out of synch version. The good news that it looks like your video got a great response from the YouTube community based on the many positive comments!

Taylor

Taylor,

I am super excited to say we got a version that syncs properly! Not that we have not already done enough but is there any way the homepage team can point to the alt video in the same chu2007 account link below?  
<http://www.youtube.com/watch?v=k3SIHKFfZBM>

I've already changed my description on the mis-synched version to link to this one, but I'd prefer all links driving to the older versions all point to this new one.

Feel free to call with any questions or concerns.

The switch has been made. It could take up to an hour to reflect on the homepage. As for the synching issue, if you want to send me a copy of the original file, we can take a look and see what the problem is. Otherwise, we'll see you tomorrow. Have a safe trip.

K&T-

We're uploading a new file. We need the current Featured Video slot redirected to the new link below. Taylor spoke with the editors and this seemed viable. Can you check on the upload status for us?

One more issue- we need to change the account name from 'flushed away'. Due to the GREAT success today- even with the video so unsync'd, that you'll allow us to stay in the section for another day. I'll be calling to follow up in a second and I'll see your group tomorrow. You guys were great to put it on the hp, you'll now be Outstanding to keep it there.

Got your voice mail. Do you want me to ask the editors to take it down?
