Subject: Perez Hilton leaked video from Celebrity Rap Superstar

Sent: 9/17/2007 7:48 PM

Hi All-

The leaked Perez video received a lot of initial pick-up from the TMZ feature on Friday. However the video truly went viral this weekend before it was removed from YouTube. According to my Google search, it was listed as one of the top viewed videos on YouTube on Friday night. I believe the video may have been featured on YouTube's homepage as well because there was a tremendous spike in traffic Saturday night. From the email account I used (GossipGirl40) to upload the video I received over a 1,000 comments between Saturday and Sunday and I'm sure tons of views. Unfortunately I can't provide a screenshot since the page was removed.

Most of the comments were mild, commenting on how crazy and diva-ish Perez Hilton has become.

Since the removal, another YouTube-er has re-posted the behind the scenes video, so the video continues to stay viral. I think the video was an incredible assets in keeping 'buzz' going on the show, I would recommend that in the feature we leak during the week to better track its spread—especially if choose to use YouTube where Viacom material will be removed.

Hey guys,

I realize VIACOM is in the middle of a legal battle with YouTube but they are having all the Spike TV show stuff removed that we're advertising on our site.

Can you help us out here?

We're getting great traffic and buzz about the show through our website so to not be able to show this stuff to them is crazy.

Cheers,

Andy

Hey Andy,

Keith here. This is the email I registered the YouTube account with. It seems that Viacom is removing some of the videos I've uploaded as copyright infringement. It would be good if someone let's them know that this account is officially uploading videos for Bullrun, and therefore not violating any copyright laws. I'll forward you the email notice for the other video they removed as well.

Warren,

Can you get me the account name, and I'll add it to the filter list. Also let me know if there are other links, and I will send a retraction notice.

Can we pull Bay off the uploads of Bullrun since they're being uploaded by our production partner?

Michelena, Can you check to see if we have been sending takedown notices for clips from BULLRUN, a new Spike original, from Youtube? If so, can we stop sending the notices because our production partner has been officially uploading them. See below. Thanks.

Hey guys,

I realize VIACOM is in the middle of a legal battle with YouTube but they are having all the Spike TV show stuff removed that we're advertising on our site.

Can you help us out here?

We're getting great traffic and buzz about the show through our website so to not be able to show this stuff to them is crazy.

Cheers,

Andy

Hey Andy,

Keith here. This is the email I registered the YouTube account with. It seems that Viacom is removing some of the videos I've uploaded as copyright infringement. It would be good if someone let's them know that this account is officially uploading videos for Bullrun, and therefore not violating any copyright laws. I'll forward you the email notice for the other video they removed as well.

for some reason when i search for this on youtube it is not coming up?

do you need to upload the keyterms as "heartbreak kid" and "ben stiller" as tied terms rather than "ben" separate from "stiller" , etc?

Hi Amy,

Kyle has uploaded and fostered the Paris Hilton Disturbia video on a handful of viral video sites (using email & account that can't be traced back to Paramount) by posting comments and video responses on existing, popular Paris Hilton videos ranging from around 100K views to 2.5M views.

The video on YouTube has over 250 views, but has a poor rating (1 star). I'll rally internal support to get the rating up higher.
