Receipt of material is merely a preliminary step in the registration and/or recordation process. It does not imply that any final determination has been made in the case, or that the material is acceptable for registration.

Official action on an application for copyright registration or a document for recordation can be taken only after there has been a full examination of the claim following regular Copyright Office procedures. We are glad to discuss questions involving copyright registration on the telephone or in person-to-person conversations. However, all statements made during these exploratory discussions must be considered provisional, and are not binding either upon the applicant or upon the Office.

This receipt acknowledges delivery of the material to the Copyright Office on the date indicated. When multiple claims are submitted by or on behalf of the same remitter, however, only one receipt will be provided. If you are submitting multiple claims, only one title will appear on the receipt.

**Re: Amended Interim Designation of Agent to Receive Notification of  
Claimed Infringement for Viacom International Inc. (Solow)**

Dear Sir/Madame:

Enclosed is an "Amended Interim Designation of Agent to Receive Notification of Claimed Infringement" for Viacom International Inc. ("Viacom"). The attached amends the July 23, 2007 filing for Viacom with Warren Solow as the Designated Agent. Per a telephone conversation on August 18, 2007 with Robert Colton, U.S. Copyright Office, the purpose of this amendment is to add one (1) URL, Downlink.com, to the attached exhibit. This application does not amend or supersede any other filing for Viacom.

Nonetheless, to distinguish between other designations under the Viacom name, we have added Mr. Solow's last name in parenthesis as part of the Service Provider's name. (Please see above.)

Please contact the undersigned if you have any questions or comments.

Very truly yours,

S. Jenell Trigg  
Counsel for Viacom International Inc.
