Hi Amy,

Attached is the reporting for Norbit and Blades. There are more features with homepage placements this week (as well as a number that were on the homepage but have fallen off since). They are continuing to work towards getting more prominent exposure on sites. They are also working on driving more views for the Trump / Rasputia and the Lloyd the Dog video by pushing for more editorial placements.

Let us know if you have any questions at all. Thanks,

Kristina Tipton

---

55 different sites are now featuring the Blades Of Glory trailer we've provided. Response continues to be very positive. We just need more content.

Combined viral site trailer views are well over 50,000 already.  
As we get more content, we'll continue get features out there.

**Asset Wish List:**

Key art (all images, fonts, etc) for use on Radar.net and other contest page builds  
Soundtracks, promo items, posters (prize pack materials)  
Autographed skates for FHMonline.com contest  
Script/Bio info for various features, community profiles, etc.  
Mp3s to build soundboard in a timely fashion  
Set aside time at the junket and/or other interview opportunities  
(we've recently had some big sites lined up for interviews that haven't taken place)

**Any amount of time with the cast can be used if we have notice**

**Video Drops In Character**

- Have Will Ferrell, Jon Heder, Will Arnett, Amy Poehler, etc. make quick, 5-second video drops for websites while in character. Edit their drops with a quick one-liner from the film:
- Scripted video content that can be filmed at junket and/or earlier
  - "Hey this is Chazz Michael Michaels, and this is ArtistDirect.com. Thought you'd want to see what a real skater's body looks like..."

I'll have a major contest/feature wish list for you tomorrow.

**Jenna Fisher (press wish list)**

Sites that would talk with her via phone:

Joblo  
Bullz-Eye

**Photos:**

Collect any available shots of Jenna and send them to the men's portal sites, like Maxim, FHM, Bullz-Eye, etc., to use for "Girl of the Day"-type home page features, to run in conjunction with the interview feature.

## Blades of Glory

So tomorrow is February and thus begins The Dead Month in sports (since the Super Bowl was canceled this year and all). Faced with a month of navel gazing and wearing out my Faith Reward and City of Champions DVDs, Jim at Iced Media came to my rescue and sent me the trailer for the new Will Ferrell/Jon Heder figure skating comedy, "Blades of Glory," asking me if I could do anything with it since it's (arguably) sports-related.

Four things:

Four things:

- 1) I'm totally gonna go see anything Will Ferrell is in since I haven't been able to stop quoting "Talented Mr. Ripley" since the first time I saw it in a margarita haze.
- 2) You're truly, actually, was a figure skater for fourteen years so there's nothing I like better than snarking on the sequined set.
- 3) The movie also stars Will Arnet and Amy Poehler of the tragically canceled "Armed & Dangerous" and
- 4) YES YES YES WHEN DOES IT OPEN? I WANT TO SEE IT NOW YES

Herewith, the trailer:

**Norbit – Online Campaign 2/1/07**

**53 different sites are now featuring Norbit content we've serviced.**

**Attached is a spreadsheet with direct urls and # of clicks for the various viral clips that have been uploaded. The report below includes screen shots and urls from all the coverage thus far.**

**This week, we added the "Talking Dog," "Trump vs Rasputia," "Meet Rasputia" and "Don't Adjust My Seat" clips to various sites. The 4 exclusive clips have now been serviced and should all be up by tomorrow. Blackfilm already has theirs up. Prize pack contests are slated to start going live on Monday as well as the E-card syndicated contest.**

**The gag reel, trailer and 4 other Norbit clips have over 230,000 combined views.**

**Our (celebrity/entertainment) blog contest with the E-card launches this week. We're setting up a contest page where entrants can create their own Norbit e-card, putting their faces into still images from the movie (there are 6 different e-card templates)**

**After they've sent the card to their friends, they'll send us the URL of the card along with their info and the site where they saw the contest. We'll put their image into a gallery on the contest page. We'll select one winner at random, who will win a "Dinner and a Movie Date" package (basically a \$200 Visa gift card for them to use for a nice dinner and movie)**
