Hi Courtney,

As discussed, here's all our current content syndication information:

- 1.) Profile Names – below you'll find profile names, some specific Paramount Official ones, and others that are more viral names that our online street team has used on multiple sites (sites listed below as well)
- 2.) Videos we're currently syndicating - I've attached our streaming links and a couple quicktime files of videos we're currently working on syndicating. In addition, this featurette just debuted exclusively on IGN (we don't yet have streaming links):

Shooter Featurette: http://media.movies.ign.com/media/034/034419/vids_1.html

And there are also a couple pieces of content I don't have streaming links handy for, but I think you should have anyways (let me know if you'd like me to find):

Zodiac Theatrical Trailer

Disturbia Theatrical Trailer

Shrek the Third – Trailer 2

Transformers – Teaser Trailer

- 3.) Lastly, at the end of this email I pasted direct links to some of the more viral original content we've posted.

As discussed, I've also added you to our webmaster blast syndication (in addition to Mark and Evelyn), so you will get all these links as they come out. Let me know if you ever have any questions about the content of the webmaster blasts, or about anything else you come across online.

Let us know if you have any questions at all. Thanks, Courtney!

Kristina Tipton

Wendy,

Below is the final update for MTV's 50 Cent – The Money & The Power online marketing campaign. Please let me know if you have any questions.

Thanks and Happy Holidays!!

Liza

We reached out to a total of 225 fan communities throughout the season.

Our final efforts this past week included informing fans once again about the new air-times of the show and directing people towards the sneak peek episode clip on <http://50cent.mtv.com>.

Additionally, we secured a placement on 21-7 Magazine featuring this sneak peek clip along with the new tune-in information. Please find the direct link to the post here:

Subject: FW: Comedy Block Update.

They are all over me regarding this block. I think Allie is doing a great job –but we need to monitor her efforts a bit to make sure it's being given priority attention. They are big on this DJ & The Fro show because they've received a lot of positive feedback after premiering some of it after the movie awards – they think it will be big. Stephanie is also confused about how to read our updates and left me a message asking why we only have two placements for DJ & The Fro – so I tried to explain that it's 12 and not 2 (see below) and left her two messages as well.

Regardless, please make sure Allie is doing everything she can for this – specifically in the men's lifestyle and animation departments. Also Stephanie mentioned trying to do some sort of top 10 "outrageous game show stunts" or "most outrageous things seen on TV game shows" and plugging Silent Library clips and mentioning the block. She said that Melissa Barreto was going to discuss with you directly. If she has not – can you get in touch to see what they are talking about (Barreto)?

Allie may need our help with this – so please check in or ramp up the assignment count when you send out assignments for this week.

Thanks!

-Christy

Hey Stephanie,

Just left you a message after getting your message re: the Comedy Block update. Give me a call when you can to discuss so I can clear up any questions you may have.

You mentioned on the message that there were only 2 placements for DJ & The Fro, and I'm not sure how you got that number specifically. All of the coverage outlined in the update mentions the entire block – which includes DJ & The Fro. There are 12 total placements from last week mentioning the block – not 2.

Were you referring to interview requests? There are currently 2 interview requests specifically for DJ & The Fro, one from AOL's Urlesque, which is an internet trends/viral video blog – which is the perfect place for them with primarily male demographic (54%), 31% of which are 12-34. TVgasm.com has also requested an interview and they are also a male leaning blog–54% male, 51% of which are ages 12-34. Additional pending for DJ & The Fro is a “6 questions” feature on Gunaxin.com – yet another male leaning site, this one 76% male ages 18-34.

So to sum up – 12 placements total for the Comedy Block, 2 interview requests, and 1 feature for DJ & The Fro which will tag the entire block as we discussed on the phone. Anything specific to any other show will also be tagged with the entire block.

I have a meeting at 4pm PST – but am free until then to chat.

Thanks!

201,588 views

fanscapevideos — June 03, 2009 — Silent Library is part of the new weekday comedy block on MTV, which premieres on Monday, June 15th. Silent Library airs at 6pm.

Modeled after a popular Japanese game show, Silent Library is pure physical comedy that will test the composure, endurance and determination of six friends who will have to watch as one of their own is subjected to unbelievable challenges ranging from brushing ones teeth with wasabi to having their face held in the path of the dreaded slapping machine. The twist, it all takes place in the confines and hushed tones of a library. Try not to laugh out loud when your friend's being tested in side-splitting ways, right before your watering eyes.

Subject: IMPORTANT -- Viral Clips & Marketing

Importance: High

Hey Everyone:

I wanted to hit you up with two things. They're important, so please read:

#1 VIRAL CLIPS -- As I mentioned in our staff meeting, we need to start forwarding the links of any clips we disseminate virally to Viacom so they don't pull down our stuff. Christy and her team will be putting together a report weekly outlining the videos they have sent out -- but ONLY on the projects they are supporting us on. That means if

you are sending out video, and fanscape is not helping, YOU need to let us know what you are sending, and where to.

Q has stepped up, and is going to be the point person in sending this information to Viacom. He will be sending them a weekly report on Tuesdays -- so please send him your links and details regularly. PLEASE USE THE FORMAT OF THE ATTACHED EXCEL REPORT.

#2 MARKETING -- I know we all get busy, but we need to do a better job of communicating with other departments. Please make it YOUR RESPONSIBILITY to know what Marketing is doing to support or not support the project(s) you are working on. It's important for everything we do that we have the full communications perspective -- which includes promotion/marketing. Your marketing counterparts are Amy Strube, Amie Esler and Jolina Hoang. You can also ask Joe Ortiz for questions about with on-air promotion. Hit them up -- they won't bite... let's be coordinated.

If you have questions/concerns about either of these points... of course let me know.

Thanks!!

D
