Re: Cherry Lane Music Publishing

Gentlemen:

Attached is a copy of my letter of October 17, 2006, seeking to have a discussion with you regarding the potential for a new licensing agreement with our client, Cherry Lane Music Publishing. We did not receive a response to that letter.

We are the attorneys for Cherry Lane Music Publishing ("Cherry Lane"). Cherry Lane owns or controls the right to musical compositions written and performed by The Black Eyed Peas, John Denver and others. These songs are listed in the attached exhibit, marked schedule A.

Attached as Schedule B is a list of some of the URL's which incorporate some of these songs into videos, for which no licenses were granted.

Our client has a good faith believe that use of all of this material on your site is not authorized by the copyright owner, its agent or the law.

To the best of our knowledge, our client is authorized to act on behalf of itself, and where appropriate, the owner of the compositions, in making this letter. The foregoing statement is made under penalties of perjury.

Our client is far more interested in creating an appropriate licensing scheme to secure revenue from these uses, rather than have you "take down" these uses. However, unless a discussion is held on this subject by Tuesday, November 21, 2006, demand is made that you immediately stop all uses on your site of our client's compositions.

Re: Cherry Lane Music Publishing

Dear Gentlemen:

Congratulations on the announcement of the pending sale of your company to Google.

Our client, Cherry Lane Music Publishing, owns music publishing rights to certain musical compositions which appear on your site. In addition, they own additional rights to other compositions which may be exploited on your site in the future. These catalogs include rights to compositions recorded by Elvis Presley, the Black Eyed Peas, John Denver, John Legend and other major recording artists.

Rather than assert a claim of infringement in this letter, our clients asked us to contact you with regard to developing an innovative strategy where rights can be exploited, revenue generated and an appropriate division of that revenue be accomplished.

We are certain you are very busy but in order not to embark on a contentious path, we would like a response from you within seven (7) days of the date of this letter.

As you can appreciate, all of our clients' rights are expressly reserved.

Sincerely yours,

Marc Jacobson
