2 there, Jawed Karim?

3 A Jawed Karim.

4 Q I'm sorry. Jawed Karim.

5 Has he or, to your knowledge, did he, at any  
6 point in time, invest any of his own personal funds  
7 into YouTube?

8 A Again, I'm -- I'm not sure if there's any  
9 miscellaneous things that he needed to pay for while  
10 we were getting things up. I -- I don't think he  
11 was -- he was paying for anything, but I can't  
12 remember.

13 Q Now, how old were you when you founded  
14 YouTube?

15 A Let's see. 20 -- 27, 28, yeah.

16 Q And how old are you today?

17 A I'm 32.

18 Q What did you do immediately prior to the time  
19 that -- that you and others founded YouTube?

20 A Well, before YouTube, my last -- my last job  
21 was at PayPal.

22 Q Okay. And what is PayPal?

23 A It's a payment service that was eventually  
24 acquired by eBay and people use it to pay for -- for  
25 auction listings and other services online.

Q And where is -- where is PayPal located?

A I think in San Jose now where eBay is.

Q Where was it located during the time that you were employed there?

A Originally, Palo Alto, and then we moved to Mountain View at some point.

Q And -- and -- at what -- can you give me the date when you left PayPal?

A I'm trying to remember the exact date. It was maybe close to 2003 time frame.

Q Early 2003 or late? Do you have any sense?

A I can't remember. I just know that I was away from PayPal for -- for some amount of time before we started working on YouTube or I started working on YouTube.

Q And during that gap period between the time when you left PayPal and the time you founded YouTube, were you employed anywhere?

A No; I was just -- just working on various ideas and -- and I did some consulting, but then I just took some time to relax, start a family, things like that.

Q And what type of consulting did you do?

A Just some design work for friends and
