I think they still have an H-52 still on display at the entrance at Airsta Elizabeth City.
I ran the 41 and 44fters while I was in.... I loved every second during the SAR cases! :-)

@Ortmet, God has nothing to do with the International Space Station. If the Judeo-Christian god actually dictated all of our lives we wouldn't have even progressed in our scientific knowledge enough to attain the ability to fare space.
