Inspiration is only the beginning

"We ought to make the best we can of the world, and if it is not so good as we wish, after all it will still be better than what these others have made of it in all these ages. A good world needs **knowledge, kindness, and courage**; it does not need a regretful hankering after the past, or a fettering of the free intelligence by the words uttered long ago by ignorant men. It needs a **fearless outlook and a free intelligence**. It needs **hope for the future**, not looking back all the time towards a past that is dead, which we trust will be far surpassed by the future **And what will be the end of all? Richard Dawkins**"
