Couple of reasons. 1) the person I responded to clearly had no idea what the song was about and thought just because the word "black" was in the title/song it was about a black woman. 2) I was having a bad day. Also, it's aggressive :)

Alyssa Milano...geeze has she grown up since "Who's The Boss". It took her a while but she finally found her niche in the series "Charmed". Beautiful and a little mysterious...is Alyssa Milano.

Song is of course by the great Santana and is called "Black Magic Woman". How appropriate. Enjoy.

Remember being a tot in my mother's Chevy Nova hearing this song en route to the public pool. Needless to say, it serves to bring me back. 70's, yes; but timeless nonetheless.

I do not own any pert of this song in any way shape or form.

The difference between this video and the original one I uploaded first is that this one has a much better sound quality.

I hope you enjoy it.
