 Subject: CYC for EMI and UMG

FILED 2007-06-05 PM 1:54
 Figueira Decl. Tab
 199

I know that we have been delaying sharing the CYC tool with music partners until the publisher deals are in place. However does it makes sense to share the tool with UMG and EMI (label) with the understanding that they can only claim official label produced videos where they already have the rights?

Thanks
