Ultimate Fighting Championship is the world's leading mixed martial arts organization. Over the past decade, with the help of state athletic commissions throughout the United States, UFC has morphed itself from a spectacle into a highly respected sports organization. Major fights between world-renowned mixed martial arts superstars have become some of the most popular sporting events of the year, surpassing pay-per-view records previously held by boxing and professional wrestling. Sports fans have made their voices heard - they want reality when they watch sports, and UFC is clearly "AS REAL AS IT GETS!"
