Figueira Decl. Tab

well, we SHOULD take down any:

1) movies
 2) TV shows

we should KEEP:

1) news clips
 2) comedy clips (Conan, Leno, etc)
 3) music videos

In the future, we'd also reject these last three, but not yet.

Redacted Pursuant to
 Protective Order at
 Request of Defendants

So yes, we should take down the other family guy clips.
