Dear Sir or Madam:

BayTSP, Inc. ("BayTSP") states under penalty of perjury that it is authorized to act on behalf of Cherry Lane Music Publishing Company, Inc. (the "Rights Owner"), which is the owner of exclusive rights in the work(s) identified in the attached report and alleged to be infringed herein. BayTSP's search of the protocol listed below has detected infringements of exclusive copyright interests on your IP addresses as detailed in the Evidentiary Information section below.

BayTSP has a good faith belief that use of the material in the manner complained of in the attached report is not authorized by the Rights Owner, its agents, or the law. The information provided herein is accurate to the best of our knowledge. Therefore, this letter is an official notification to effect removal of the detected infringements listed in the Evidentiary Information section below, at the locations indicated.

We hereby request that you immediately remove or block access to the infringing material at the specified location and all other locations on your site and insure that you and the user refrain from using or sharing with others the Rights Owner's materials in the future. Additionally we request that in place of the removed material, you provide the following message:

"This video has been removed due to infringement."

We urge you to take immediate action to stop this infringing activity and inform us of the results of your actions.

Please respond indicating the actions you have taken to resolve this matter. The provided link has been assigned to this matter:

Nothing in this letter shall serve as a waiver of any rights or remedies of the Rights Owner with respect to the alleged infringement, all of which are expressly reserved. In particular and without limitation, this notice is without prejudice to the positions that (1) 17 U.S.C. 512 does not apply and (2) you have an affirmative obligation to prevent or limit infringement of the Rights Owner's exclusive rights regardless of whether you receive a takedown notice.

In complying with this notice, YouTube should not destroy or spoliage any evidence which may be relevant in a lawsuit relating to the infringement alleged herein, including the infringing videos and all associated electronic documents and data relating to their presence on YouTube, which shall be preserved while disabling public access, irrespective of any document retention or corporate policy to the contrary.
