

EXHIBIT 8  
Figueira Decl. Tab  
234

Subject: Re: FEATURE LIST FOR PUSH 2

99% of visitors DO NOT upload videos, ever.

If we want to sign up lots of users who keep coming back, we have to target the people who will never upload a video in their life.

And those are really valuable because they spend time watching. And if they watch, then it's just like TV, which means lots of value.
