I will admit when i first posted the trailer for this film i thought the concept was lame. i gotta take it back. The trailer had me laughing my ASS off. Now we got new images for the film from Paramount. When rival figure skaters Chazz Michael Michaels (Will Ferrell) and Jimmy MacElroy (Jon Heder) go ballistic in an embarrassing, no-holds-barred fight at the World Championships, they are stripped of their gold medals and banned from the sport for life. Now, three-and-a-half years on, they've found a loophole that will allow them to compete: if they can put aside their differences, they can skate together – in pairs' figure skating.
