Will Ferrell (Anchorman), plus Will Arnett (Job from Arrested Development), the best television show ever created, ever. Seriously, buy all three seasons, and Amy Poehler (SNL) star in the figure skating comedy Blades of Glory... seems almost too good to be true.

As far as dumb Old Comix / homo erotic comedies go, I have high hopes for this one.

Blades trailer featured on home page of sports blog

The second video here is to the trailer for the upcoming Will Ferrell movie "Blades of Glory," which looks from this angle to be the figure skating version of "Talladega Nights" - in other words, it can't miss. This clip was sent along by one of the firm's marketing people, and I'm putting it on here even though he couldn't deliver on my offer to run it only if he introduced me to a certain one of the film's co-stars. Hmm, I guess we don't have as much clout in Hollywood as we thought.

WILL FERRELL + ICE SKATING = FUNNY

01.18.2007

This is the new trailer for *Blades of Glory*, and I can't wait. Anytime a mascot gets burned for the purpose of humor (is there another reason?), then I'm all for it.

NOTE: You may have seen this on [The Big Lead](#) yesterday, but they're under the mistaken impression that Ferrell's bushy Afro at the Golden Globes was for this movie. Um, hello? It's obviously for his [NEXT sports film](#) -- *Semi-Pro*, about the ABA.
