My inbox just got attacked with Copyright Infringement emails for the mtfanscape account – looks like the rest of your ADBC videos. Still waiting to hear back from my contact about the "fanscapemtv" channel being white listed with Viacom.

Thanks,  
Allie

Hey Christy... fyi on this. I'm not sure we have to go to this extent... but as we discussed, if you can flag the places we have viral video out there, then we can alert Viacom not to take it down. I'm f/u up w/ marketing on this end... but do you think this is something we can coordinate on your end as well?

thx!!

Dave -

Attached is a sample of the reporting that Comedy Central sends to Viacom litigation every week. We are going to have to impliment the same thing for MTV, or else clips will be pulled from any and all UGC sites (not just Youtube, as previously instructed.)

Please distribute to the rest of your team.

Jess just asked me about posting the DVD clips of Human Giant - and I would assume that this applies to DVD content as well - since that is old MTV on-air content, and litigation pulls any MTV copywritten material. (Graham - please note)

This grid should be sent to Warren Solow and Michael Housley
