Hey Jesse,

Good talking to you this morning! I wanted to see if you would be interested in featuring a fun little viral video / site we have for Hot Rod. [www.stuntmanforever.com](http://www.stuntmanforever.com) <<http://www.stuntmanforever.com/>> is a viral site made from the perspective of one of the characters in the film advertising Rod to do stunts for birthdays and stuff. It features a video that cracks me up - Andy Samberg and the other Lonely Island guys taped the piece while on the set of Hot Rod. It's been slowly gaining steam virally on YouTube and on our viral site.

Let me know if you'd like any other info. Thought it would be fun for THE 9.

We'll be in touch soon about Transformers.

Thanks!

I like the one of Rod jumping off the couch too. We'll add the pic of Kevin & Rod to the "About Me" page right now... we'll write some copy for the likes / dislikes and then to you to re-write...

We'll also add the "rod kimble" caption above Stuntman Forever, I think a different font, size is best.

We're definitely planning to launch the video using youtube- we have the stuntman forever account set up already and will use that account to upload. We'll tag it with the tags below!

Will get back to you later today....

Thanks!

p.s. I really want you guys to come to Austin with me to meet harry at the drafthouse....

Hi. I like the one of Rod jumping off the curb.

I also like the one of Kevin and Rod, but not for the top, maybe it could be on the "About Me" page or the contact page. We could easily write up a likes/dislikes who i am type page for Kevin.

Also, I think maybe we should add the words "ROD KIMBLE" either just above or just below STUNTMAN FOREVER. They could be much smaller and in a different font. I just don't want people to think that the picture is of Kevin.

On another note, I like how the audio on the video is phasing. Everything is just right on how crappy it is. My only question is are we going to use youtube on that? It's ok if we don't. But it might be good. If we do use youtube, we would need to think up a way to do the tags so hot rod is in there sneaky. Like tag it Rod Kimble Kevin Powell Stuntman Stunt Save Frank Super Cool Hot Action. - so it has hot rod in there. Thanks!!!

Sorry short-cut button sent too soon. Long and short of it is, we need to get reps involved to get the direct URL's we want.

Here's the current SoundOff group's description :-):

This is similar to " Be Heard," but not quite. This is kinda for more darker type people who need to vent all those feelings. I know, 'cause Im one of them.

Thanks!

Below are accounts I've secured for our group on YouTube. In order to get a straight youtube.com/soundoff we need to work with our sales reps on the brand channel. Right now youtube.com/group/soundoff is being claimed by, get this, a "be heard" wanna be. Here's their group description:

Subject: Hi Jamie

I work for Total Assault, a music marketing company. We were hired by Warner Bros Records to promote "Jamie Kennedy - Blowin' Up".

We upload videos to many, many video sites including YouTube on a regular basis to promote different artists from various major labels. In this case, we uploaded clips for 'Blowin Up' in July of 2006. The clips were from MTV/Viacom. At that time, Warner Bros gave us the clips and full rights to distribute. This was before the recent decision from MTV that videos were no longer to be available on YouTube.

Since that decision, NO videos have been uploaded that compromise that policy, hence no intentional infringement. This is an old video, put up BEFORE that policy was instituted, and that is the reason it was overlooked and not taken down. It is a mistake of circumstance, not malicious intent.

Please let me know what I need to do to re-instate my account and videos (minus Jamie Kennedy, of course), or at least re-use my user name (for people who use that as name recognition). We have tons of subscribers and CLIENTS that depend on us to promote their artists. YouTube is one of the best and it could greatly hinder the online success our clients expect for their artists.

This could also negatively reflect on YouTube, as we deal with Universal Records, Warner Bros Records, Hollywood Records, Island/Def Jam Records, Virgin/EMI Records, Sony Records and more on a regular basis.

Please contact me at [REDACTED] to assist me further in solving this matter. Thank you in advance for your prompt attention.

Subject: YouTube DMCA Counter-Notification

Hello,

The following URLs need to be reinstated immediately. They are from the television show Human Giant which I created and executed and produced for MTV. Viacom and MTV assured us that any videos we uploaded on to the HGiantVid account would not be retracted, as we were using it for promotional purposes. Here are the video URLs that were removed:

Dear YouTube,

I am the producer for [www.therewillbeblood.co.uk](http://www.therewillbeblood.co.uk) - the UK site for the movie, 'There Will Be Blood'. All clips that we have used on this site and YouTube have been ok'd by Paramount Pictures.

Please put the video back up on YouTube as there is no good reason for it to have been taken down.

Kind Regards

Jim

We need your help with something. All of the Last Kiss content that we uploaded has somehow been removed- not per our approval. How can we get this back up? How does this happen?

Hi Megan,

I got this notice from YouTube just now... Looks like you told them to take the teaser down ;~))

It seems to only be for the Teaser and not the full Trailer, which is still up there.

Pls advise.

Thx-KIRK
