Icons and symbols:

 This icon indicates that the creature mentioned is discussed in more detail in the book *Fantastic Beasts and Where to Find Them*. The Lexicon has intentionally not included all of that information here on the book in our Bestiary. Rowling wrote that book for charity and if we reproduced all of that information here on the Lexicon it would take away from sales of the book. If you see this icon, then, you'll know that there is even more interesting information to be found. Please follow the link to our page about *Fantastic Beasts and Where to Find Them* and buy a copy right away.
