JAMES C. FRANCIS IV
UNITED STATES MAGISTRATE JUDGE

Today I issued a decision on the plaintiffs' motion to disqualify one of the law firms representing the defendant. I filed that decision under seal because of the possibility that it contains information confidential to the parties. By September 28, 2009, the parties shall submit papers identifying what, if any, information they request to be redacted from the version of the decision that will be publicly filed and providing a detailed basis for any such request. These submissions may themselves be filed under seal.
