**Re: *Kaplan, et al. v. Lebanese Canadian Bank, SAL, 08-CV-7253 (GBD)(KHP)*,**

Dear Judge Parker:

We write on behalf of all parties in the above-referenced actions. During the November 15, 2022 case management conference, the parties indicated that they had exchanged initial document requests, and that it could be most efficient to adjourn the conferences scheduled for December 15, 2022, and January 12, 2023, to allow the parties additional time to meet and confer regarding the responses to those requests. The Court advised that it would adjourn the December conference, and that “if there’s nothing to discuss for the January conference, you let me know and I’ll adjourn that.”

The parties have agreed to extend their mutual deadline for objections and responses to the document requests until noon on Friday, January 20, and intend to meet and confer thereafter regarding the objections and responses. There are no other issues requiring the Court’s attention at this time. Accordingly, we respectfully request that the January 12, 2023 conference be adjourned *sine die*.
