Hon. Louis L Stanton, U.S. District Judge

Dear Sir,

Since January 1, 2008 I have lost \$325,000. and want protection funds from SIPC funds similarly to investors in the Madoff debacle because of similar circumstances.

Madoff operated as an LLC, not as a brokerage firm! I was similarly duped by owning bank stocks that were not regulated properly, raided by Directors, raided by Wall Street Crooks and let by greedy, inept management that caused my losses.

Please advise as to application process for said recovery of my funds.

Funds to be mailed to:
