IN RE:
PASHA S.ANWAR, at.al., Plaintiffs,
v
FAIRFIELD GREENWICH LIMITED, et.al., Defendants
Civil Action No. 09-cv-118.

Objection to the proposed partial settlement

INTRODUCTION

The parties claim that the proposed settlement conditions are fair, reasonable, and adequate to the class. I disagree with this statement, and therefore object to the proposed statement.

I. I am the Member of the class.

My full name is Nico Veldstra, my mailing address is Emmalaan 19, 1862 ER Bergen, the Netherlands. My telephone number is +31725814350.

I am a beneficial owner of shares in Fairfield Sigma Limited.

Below please find an overview of shares purchased and redeemed.

Documentary proof is presented in the attachments (1 to 4).

	Amount of Shares	Amount of Shares		EURO/SHARE	EURO	USD

April 23, 2007	200.8463		Fairfield Sigma Ltd	179.2415	35,999.99	48,765.28

Balance per Feb.7, 2013	279.8463 shares					

*) rate per February 7, 2013 1,355 USD/EUR

II. This objection is brought in good faith.

I am bringing this objection in good faith, as I'm very disappointed with the outcome of the settlement while not standing to gain substantially from this objection.

III. The proposed settlement terms are mostly beneficial to the attorneys.

The proposed payment of attorney's fees and reimbursement of expenses to a possible total of 25% to 28,3% of the total settlement sum, make up a totally inappropriate and outlandish share of the total settlement. The settlement results in a relatively neglectable and minor reimbursement of the lost investments for the class action members who with no exception have been drawn into this situation totally involuntary, whereas the attorneys are allowed outlandish gains on a cause in which they are partaking of free will.

Therefore I respectfully request the Court to withhold the settlement approval until the parties amend the settlement and find a more appropriate balance between the potential Class Members recovery and the reimbursement of Attorney's fees and expenses.

Respectfully submitted,
